DIMIGREF: Description of the Yellow Research consultations

Price: The price is 2875 euro excluding VAT.

Two sessions for discussions: The first happening earlier on during the spring at which time the feedback would be in a more general sense, and then another one closer to the deadline of the call during which the feedback could be more concrete and also perhaps include sharpening of the language and rewriting short segments. Written feedback is sent after the discussion.

Detailed description of the process:
