Dear VMware Customer,

This notice and quote is a courtesy reminder that your Support & Subscription (SnS) is set to expire soon or recently expired on 24-NOV-2018. Don't miss out on receiving the latest updates/upgrades and the security of being able to contact VMware's Global Support Services Organization. If you are not the appropriate person within your company to manage this renewal, please send an email to let me know with whom I should be working.

Please review the below product detail to ensure accuracy. Please pass this quotation onto your preferred reseller or a local [VMware VIP Reseller](#) to assist you in purchasing this renewal.

If you would like to co-term a number of licenses/contracts to one specific end date making future renewals an annual event please contact your VMware Support Sales Representative listed below. We ask that you consider a three year service extension for which we give the following discount: 3YR - 12%.

If you choose to not renew your contract upon expiration, you will not be able to receive updates/upgrades or open a Support Request. If at a later time you decide to reinstate your SnS, the term will start the day after your previous contract expiration date and a 20% reinstatement fee will be applied on past due SnS and 1 year forward SnS.

If you have already initiated payment of the below product(s) or are currently working with your local VIP partner, then please disregard this notice.

We would like to take this opportunity to thank you for your continued business with VMware. If you require further information or assistance, please do not hesitate to send an email or call us.

Sincerely,

[REDACTED]
VMware Support Sales Manager
