The GIF 863 System has been classified by Gatan Inc. as 'outside the service support period'. Therefore the additional terms and condition* (below) and the standard Gatan GmbH terms and conditions apply.

***Regulation for the repair and service performed on Gatan instruments and instruments on which Gatan equipment has been attached to, and that are both or either of them are considered as outside the service support period.**

It is in Gatan interest to provide first class service and to produce high quality products. However, in some cases where the product has been classified as 'outside the service support period' by the Gatan Inc. or the manufacture due to the age of the products, stop in production or other unspecified reasons. In that case, your product has been classified as 'outside the service support period' with or without prior notification by Gatan GmbH, Gatan Inc. or manufacture to the owner or contract provider. If Gatan GmbH has been contracted to perform any repairs or services on those instruments. Gatan GmbH cannot be made responsible and the owner / contract provide withdraws from the right to seek any damages that occurs if damages occurred to those instruments. The owner / contract provider will withdraw from the right to seek compensation for any damages occurred. The owner / contract provider will pay for all the cost developed during the service performed including labour, travel and other associated costs, despised the fact that the original aim and intent of the service contract cannot be fulfilled or completed. Gatan GmbH preserves the right to cancel the service at any time of the service contract and the owner / contract provider agrees to pay for the developed cost to that point. Gatan GmbH will provide best effort in maintaining first class service to ensure that the service offered by Gatan GmbH can be fulfilled. The owner / contract provider agrees to these terms in addition to the Gatan terms and condition attached.

For full terms and conditions please see below, except for any agreed variations.
