ATTENTION: On arrival please check that there are no obvious signs of damage to the exterior packaging i.e. signs of tampering, holes in the cartons etc. When signing the delivery docket you are stating that your parcel is complete and in good condition. Please note, that once you have signed this document, it is no longer possible to proceed with a complaint where the delivery firm has caused damage to your goods whilst they have been in transit. The driver of the courier company is therefore obliged (if signs of damage exist) to wait until you have checked the parcel, do not let him/her leave before this has been done. In the case where slight marks or scuffing to the packaging can be seen, please make sure that this is noted by the driver on the delivery docket. If all packaging is in pristine condition, and it transpires that the goods internally are faulty, you are still covered by Thomann's warranty. The delivery conditions are to the 'kerbside'. Delivery drivers are not contracted or insured to bring goods into your property. Certain products, specifically digital pianos may require some final touches to complete the assembly of the product. Screws and instructions are provided. Delivery only from Monday to Friday.
