Please complete registration form. So we may process your order, please provide us with the end user details.

Terms and Conditions

Please refer to www.zemax.com/company/terms-conditions

Please Make Sure to Mention our Payment Terms on Your Purchase Order.

Additional Information

The LensMechanix Plug-in for SOLIDWORKS and CREO Parametric helps bridge the product development gap for opto-mechanical engineers, allowing them to package, analyze and validate new designs, simplifying the transition between optics design and packaging. To receive a free demo please click here: [REDACTED]@zemax.com

If you're using a different CAD platform, please let us know so we can develop the product to meet your requirements.

Validity

This quote is valid until 29 January 2019.

Payment

Payment can be made by Cheque or Bank Transfer details will be on our invoice.
