(hereinafter "the Seller")

The Purchaser and the Seller entered into the Purchase Contract on March 7th 2019 for the tender named "Components for instrumentation capable of single-molecular fluorescence detection – laser module set with drivers" (hereinafter "the Contract").

I

In accordance with the provision of article XI paragraph 4 of the Contract, the contracting parties concluded, that the Contract shall be changed as follows:

The article II paragraph 1 newly reads:

1. The contracting parties have agreed, in the meaning of Act No. 526/1990 Coll., on prices, as amended, on the following total purchase price of the goods:

Name of the subject matter of delivery	Total price in EUR without VAT	Total VAT in EUR	Total price in EUR with VAT
Optical equipment components for single-molecule research – module laser set + control	52990,-	11127,90	64117,90

II

1. The other provisions of the Contract are not changed.
2. This Amendment is executed in four identical counterparts. Each counterpart has the validity of the original. The Purchaser shall receive two counterparts and the Seller shall receive two counterparts.
3. This Amendment shall come into force on the day on which it is signed by the contracting parties and shall come into effect on the day on which it is disclosed in the Contract Register.
4. The contracting parties declare that they have read this Amendment and that it was concluded after a mutual discussion in compliance with their free will, seriously and understandably, in witness whereof the authorised representatives of the contracting parties attach their signatures.
