Betreff: acceptance mail

Dear [REDACTED]

we have some new paperwork which means that orders which costs more than limit we need to publish in the contractual register. For this we need to have acceptance mail from you that you are ok with following statement paragraph:

This contract is to be published in the contractual register pursuant to Act No. 340/2015 Coll.

The parties confirm that the contract does not contain any confidential information and that no part of the contract has been excluded from the public record. The parties agree that the contract will be published by Charles University, Faculty of Mathematics and Physics. The contract becomes effective after its publication in the contract register.

So if this is ok for you please let me know and I will send next email with order and with this paragraph. I would like to ask you to reply for next mail with following sentence (or something like this):  
We accept that this order 109190055 will be published in the contractual register.

Best regards

[REDACTED]
