Extended Notes**MATERIAL SAFETY DATA SHEET:**

In case the delivered product is a part according to the hazardous substances regulation, please send a safety data sheet under specification of the new EAK number (European waste catalogue) to the issuer of this order.

SAFETY REQUIREMENT FOR TECHNICAL WORK EQUIPMENT:

The manufacturer is obliged to accomplish the order according to the valid specification „plant safety / work safety / ergonomics / environment protection.“

This obligation is part of the contract. The contract is not properly fulfilled if this is not met. Regardless of warranty we reserve ourselves the right for further claims as a consequence of not-fulfillment.

CONTRACTOR COORDINATION:

In case this is an order for external services, you are required to contact our facility coordinator before start of work. The coordinator will take care that you/your technician will get thorough safety instruction.

In case of unclarity regarding the work to be done please contact the coordinator immediately.

[REDACTED]
We are ordering based on our general Terms and Conditions which you can find under [REDACTED] Other regulations are only valid with our written approval
