Extended Notes

MATERIAL SAFETY DATASHEET:
In case the delivered product is a part according to the hazardous substances regulation, please send a safety data sheet under specification of the new EAK number (European waste catalogue) to the issuer of this order.

SAFETY REQUIREMENT FOR TECHNICAL WORK EQUIPMENT:
The manufacturer is obliged to accomplish the order according to the valid specification „plant safety / work safety / ergonomics / environment protection.

[REDACTED]

This obligation is par. of the contract. The contract is not properly fulfilled if this is not met. Regardless of warranty we reserve ourselves the right for further claims as a consequence of not-fulfilment

CONTRACTOR COORDINATION:

In case this is an order for external services, you are required to contact our facility coordinator before start of work. The coordinator will take care that you/your technician will get thorough safety instruction.

In case of unclarity regarding the work to be done please contact the coordinator immediately.
