Dear Professors Stockelova and Linkova (copy to Petra Broskevicova)

As discussed and finalized over the past year, the sponsors of the 2020 EASST/4S Joint Conference would like to officially contract the local organization of the conference to you at the Institute of Sociology of the Czech Academy of Sciences.

We would wish to facilitate your efforts with the transfer of 10.000 (euros) for local expenditures. Could you please send an invoice in this amount to the *Society for Social Studies of Science*.

Thank you very much.
