

# Renewal form | SimaPro service contract

A SimaPro service contract entitles you to software and at least two database updates per year and free access to the helpdesk. A valid service contract also entitles you new versions of the ecoinvent database. Service contracts are automatically renewed for one year on the expiration date. You can cancel in writing up to one month before the expiry date. Prices are in Euro (€) and exclude VAT and import duties, and are valid until 30 September 2019.
