1 Abstract

This document contains a functional description of XML reports generated for the SOB Module of the XBID Solution, including report subscription, report generation, report structure, available report types and their contents. It requires familiarity with the XML standard as defined by the World Wide Web Consortium (W3C, see <http://www.w3.org/XML> for more information).

Note: Data contained in graphics and examples are for illustrative purposes only.

2 Introduction

2.1 General
