Concerns: Quote T650P

Dear Mr. Sokol,

Thank you for your interest in Tractus3D and our T650P printer.

We hereby send you our quote for delivering a T650P including shipment to your location.

Pricing:

√	Tractus3D T650P RTP 3D printer	€ 7.900,00
√	SLA Tractus3D T650 yearly*	Free first year
√	Transportation of the T650P to Czech Republic	€ 265,00

Service Level Agreement

*The SLA Gold level includes onetime an extra printhead for free as a spare part and free cleaning of dirty printheads when it is send to us, excluding the postal costs for the return shipment. Also this guarantees a 50% discount on all worn parts and parts you want to upgrade when there is a new development on the printer available.

*The price for the SLA is €900,00 per year but is free the first year.

Conditions:

- The General Conditions of Tractus3D B.V. are applicable on all quotes, orders and agreements
- All prices are excluding taxes (21% in the Netherlands)
- Payment before due date on invoice(s) via bank transfer

Planning:

- After receiving the signed documents the total amount of the printer will be invoiced.
- After receiving payment the printer will be shipped immediately when it is in stock.

Thank you in advance for your trust in our company and we are looking forward to receive your purchase order.

Kind regards,
Tractus3D B.V.
