Dear Lenka Jaskulová and Michal Zelenak,

Thank you very much for ordering an update/upgrade to your SPIP license (PO Number 19550402). Below you will find instructions on how to update your license dongle.

Please find also attached your invoice.

To activate your dongle:

1. Download your activation file at <https://www.spip.imagemet.com/dongle.php?id=spip1115>

Maintenance Expiry Date: 2020-07-25

Dongle Serial Number: 1717037363

2. Insert your dongle and execute the downloaded file.

To get full benefit of your license we recommend you to download the latest SPIP version at <https://www.imagemet.com/download>.

Please do not hesitate to contact us if you have any questions.

Thanks and best regards

Linda Howarth
