**Note for export**

The export / transfer / German domestic delivery of TRUMPF products to be delivered further directly to countries outside the European Union can require a license under certain conditions (product, destination, end user etc.) according to German Foreign Trade law, the EC Dual Use Regulation or the US Export Administration Regulations (EAR).

If required please contact your local contact at TRUMPF for detailed information - if you have not been pointed out yet.

In case of export approval under the German Foreign Trade Act / the EC Dual-Use Regulation or the US Export Administration Regulations the delivery can only take place, when the required export licenses are granted through the responsible authorities BAFA (Bundesamt für Wirtschaft und Ausfuhrkontrolle) resp. through the Bureau of Industry and Security (BIS) (restrictions under U.S. Law, applies for reexport of U.S. goods).

In terms of domestic sales to exporting companies, we point out that these companies are responsible for applying the aforementioned export permission.

The dispatch of products subject to approval by TRUMPF (=Sender) on behalf of exporters (=exporter) can occur only if the exporter presents a copy of the required permit to TRUMPF.

The Buyer agrees to provide all information and documents (e.g. end-user certificate for an export license etc.) available to be requested if necessary from TRUMPF.
