To the attention of: Jakob Andreasson

Subject: Offer concerning the assistance with bio-sample preparations for a beamtime at the FERMI Free Electron Lasers between the approximate dates May 22 to 27, 2019

Dear Jakob Andreasson,

Please find herewith enclosed the cost estimate for the service of sample preparation for single virus imaging experiments at the FERMI Free Electron Laser during the approximate dates May 22 to 28, 2019.

- Travel to the FERMI Free Electron Laser for one sample preparation expert (e.g. Kenta Okamoto and Dirk Hasse): 2*500 €
- Accommodation costs during the stay at FERMI (2*5*100 €): 2*500 €
- Per diem and other expenses (2*5*60 €+ 200 €for car rental): 800 €

Total: 1 500 €

Prices are excl. VAT.

Invoice will be submitted after the complete delivery of the service.

Invoice should be paid within 30 days after being received by ELI Beamlines
