Accepted by National Coordinator:

(Date/Signature)
 21.7.19 [REDACTED]

Accepted by IPC:
 (Date/Signature)

1130 Bruxelles - Tel: +32 (0)2 724 72 11
 RPM0436.501.681 - TVA BE0436.501.681

** The cost shown for work is based on self installation carried out by the customer. This will include all the pre-installation is done, including hanging all portals, running all cables and connection to the mains power grid.
If on-site presence by Lyngsoe System is requested, cost for work hours spent during installation and site acceptance test **will be charged as incurred.**

Terms:

The final exchange rate will be calculated on the day the hardware is shipped out from Lyngsoe Systems.

All amounts are in EUR.

Shipment, duties and VAT **is not included.**

Accommodation and food is **not included.**

Travel costs and waiting time (if on-site presence is requested) will be **invoiced as incurred.**

Waiting time: Lyngsoe Systems (EUR 888,64 per day)

Travel time: Lyngsoe Systems (EUR 62,43 per hour)

Site survey and documentation will be invoiced separately.

Time of delivery:

To be confirmed upon receipt of order. Equipment on stock will be shipped within 30 days after receipt of accepted and signed quotation.

The commissioning and acceptance test will take place after Postal installation activities are completed and the Installation Checklist is received by Lyngsoe Systems. The actual date for the final commissioning is to be agreed. If the acceptance test is not immediately following the commissioning, extra charges may apply.

Terms of delivery:

Ex. works.

Validity:

This quotation is valid up to the publication of an updated price list, which is planned for January 1st.

Please sign above and return this quotation by FAX to IPC.

Yours faithfully

Lyngsoe Systems A/S
