## **Certificate of Compliance**

**To whom it may concern,**

Chevron Oronite is supplying OLOA<sup>®</sup> 59770 performance additive package. This additive package is the result of an extensive development to provide excellent deposit, oil oxidation, soot, wear and rust control in heavy duty diesel engines.

MOGUL DIESEL DT SAE 15W-40 Engine Oil using OLOA<sup>®</sup> 59770 at 10,75% and used in combination with appropriate base oils and viscosity index improver system, according to OR-F57765D-A formulation, is meeting MAN 271 performance level:

Chevron Oronite can provide the necessary documents and testing to support this performance.

Sincerely yours,

Market Manager AEO
