Quotation: ELI-2019-09-13   Prepared by: J. Hloužek
Date: September 13th, 2019   Validity: 60 days

Line	Quantity	Product	Price (EUR)
1st	1	<u>Technical Enhancements and Customer Support</u> (TECS) till November 14th, 2020 for permanent licenses of ANSYS software of following configuration: 10/100 tasks of **ANSYS Academic Multiphysics Campus Solution**, 1 task of **ANSYS Academic Research HPC Workgroup 128**; for the usage on a computer network at ELI Beamlines;	7,442 €

Above pricing does not include applicable sales tax.

Academic program(s) which contain the term "Campus Solution" in the program name contain combinations of Academic Research (10) and Academic Teaching (100) products, and as such each of these component products must be used in accordance with the Academic Research & Academic Teaching terms of use.

TECS (Technical Enhancements and Customer Support) consists of a reasonable telephone, e-mail or web-based support respecting the use of the program(s) and program releases or corrections provided by ANSYS without additional charge to TECS. Expired TECS licenses may be reinstated within a period of 2 years of the expiration date. An additional TECS reinstatement fee will apply to all orders received after the TECS expiration date.
