MIT Ltd. Delivers in accordance with our terms and conditions of sale only.

**Notes:**

- Instead of the EOT detector we offer you the same detector from Newport. It is exactly the same detector, also made from EOT, but sold under the Newport brand. We can offer you this detector cheaper than the original EOT detector.
- The PM980 fiber patch of length 15 m is not a standard product. We will send you the price for it as soon as possible. For the moment we offer the standard length of 10 m.
- The freight charges includes the freight charges of all three supplier in this quotation.

Best regards

**Martin Moser**
