## 2. INCORPORATION BY REFERENCE

2.1 Without any prejudice to other provisions of this Agreement, the Original Agreement and particularly the Specified T&C (except to the extent explicitly modified herein) are hereby incorporated herein to the same extent and in the same force and effect as if fully set forth herein. This reservation will be effected, as the case may be, by means of an amendment to this Agreement based on the interest of the Potential Participating Institutions mentioned in the preceding sentence in receiving performance under this Agreement. The parties may include the price for the licences for the Potential Participating Institutions in Appendix B.”*

If there is no updated or new respective Standard, the Standard will be substituted by the Standard as agreed by the Parties in each particular case. If no agreement on such new Standard is achieved and the quality of the Licensor’s performance may be threatened, the Licensee will be authorized to determine the new Standard as close as possible to the previous Standard, also taking concurrently into account the legitimate interests of the Licensor other Party.

## 3. TERM AND TERMINATION

3.1 This Agreement becomes valid on the date of execution by both Parties. This Agreement takes effect on the date of publication in the Czech Register of Contracts or on the date specified as the beginning of the Agreement Term in Appendix A (whichever occurs later) (“**Effective Date**”).
