We are pleased to inform you that we have received the manuscript "The utility of graph clustering of 5S ribosomal DNA homoeologs in plant allopolyploids, homoploid hybrids and cryptic introgressants" to be considered for publication in Frontiers in Plant Science, section Plant Systematics and Evolution.

You can access the review forum and track the progress of your manuscript using the following link: <http://www.frontiersin.org/Journal/MySubmission.aspx?stage=100>

Your manuscript is now in the initial validation stage to determine its suitability for peer review. Should your manuscript be sent out for peer review, you will receive a notification once we receive the reports from reviewers and the interactive review forum is activated. You will then be able to read the review reports and exchange directly with the reviewers in the interactive review forum as well as submit a revised manuscript, if appropriate.

Best regards,

Your Frontiers in Plant Science team

***** FREQUENTLY ASKED QUESTIONS *****

WHY DO I RECEIVE THESE REMINDERS?

Invoice and payment notifications are sent to the designated payer of the invoice. For article publishing fees, the corresponding author(s) is always in CC, and all co-authors will also be in copy on overdue payment notices. Reminders will automatically stop when the payment is received and matched to your invoice (if properly referenced).

THE PAYMENT HAS ALREADY BEEN MADE, WHY MORE REMINDERS?

Payments can be verified only when received, not when ordered to the bank, procurement office, or Accounts Payable. If you think that the delay is now excessive or unjustified, then it is possible that verification is hindered due to a missing reference number on the transaction details. Please kindly send me a proof of payment.

ANOTHER OFFICE/PERSON IS IN CHARGE OF PAYMENT, CAN YOU SEND THE REMINDERS TO THEM INSTEAD?

If you passed the invoice along for processing, we encourage you to update the payment information. Log on to your Frontiers account, drag the mouse over your name and select >Invoices>View Details >Modify Payer, then edit the "Email this invoice to" section.

HOW DO I MODIFY THE BILLING ADDRESS?

Log on to your Frontiers account, drag the mouse over your name and select >Invoices>View Details >Modify Payer, then edit the "Billing Address" section.

HOW DO I ADD OTHER INFORMATION NEEDED BY MY INSTITUTION?

To display on the invoice other information such as your reference, VAT or Purchase Order number, etc, log on to your Frontiers account, drag the mouse over your name and select >Invoices>View Details >Modify Payer, then edit the "Your Reference" section.

HOW DO I BECOME A REGISTERED USER?

If the invoice was issued and emailed directly to your attention, please consider registering at www.frontiersin.org (with same email address) to have access to full features and functionality. Registration is completely free for anyone!

CAN I HAVE AN INVOICE IN ANOTHER CURRENCY?

While we cannot issue invoices in another currency, we do accept cheques cut in USD, GBP and CHF. Please convert the amount due according to the processing day's current exchange rate. Upon request we can add the converted amount to the "Your Reference" section on the invoice.

CAN I SPLIT THE FEES WITH MY CO-AUTHOR(S)?

Yes! Please contact accounting@frontiersin.org and provide, for each party: a full billing address, an email address for electronic delivery (preferably of a Frontiers registered user), and the desired amount to be paid by each party.

IS VAT (VALUE ADDED TAX) APPLICABLE TO MY ORDER?

According to Swiss tax law, the standard 8% VAT must be applied only for services billed to Swiss or Liechtenstein residents or organizations. Purchase Orders with a billing address from all other countries should not include any VAT.

WHY DID I RECEIVE DIFFERENT INVOICES FOR THE SAME ITEM?

A new version is generated upon every invoice modification, and it is denoted by the last digit suffix on the invoice number. A higher version number supersedes all previous versions (as an example, n. 2012-1234567-4 replaces 2012-1234567-3). We consider the invoice settled regardless of the version indicated in the payment, but please ensure that multiple payments are not initiated.
