In terms of domestic sales to exporting companies, we point out that these companies are responsible for applying the aforementioned export permission.

The dispatch of products subject to approval by TRUMPF (=Sender) on behalf of exporters (=exporter) can occur only if the exporter presents a copy of the required permit to TRUMPF.

The Buyer agrees to provide all information and documents (e.g. end-user certificate for an export license etc.) available to be requested if necessary from TRUMPF.

Best regards
