

APM Engineering, s. r. o., Dluhonská 1350/43, 750 02 Pířerov

OFFER				
Offer No.	A1906-22-EM-3			
Offer type	Basic to negotiations			
Inquiry	Table with box	Source of inquiry	Anna Zymakova	
Inquirer	Fyzikální úřstav Akademie věd ĀR, v.v.i., Laserové centrum ELI beamlines	Date of inquiry	1.10.2019	
Suplier	APM Engineering, s. r. o., Dluhonská 1350/43, Pířerov I-Město, 750 02 Pířerov	Date of offer	6.1.2020	
	IĀ: 03384152, DIĀ: CZ03384152			
Produced	Ing. Vladimír Bařina	Email: vladimir.barina@apme.cz	Tel.: 604287322	
Subject of supply and price offer				
Supply	Table with box			
Base description	<p>We offer the proposal, design and production of Table from Al profiles.</p> <p>The solution is shown in drawing A1906-22_M-00-02-00_R0_TABLE. Contain frame and accessories.</p> <p>Frame is designed from 30mm series profiles. Used are profiles 60x60mm and 30x60mm.</p> <p>Profiles are connected by system PVS couplings to provide electrically conductive linking of profiles.</p> <p>The frame is built on height-adjustable legs.</p> <p>The frames are fitted with wheels on which the frame is built after the adjustable legs have been screwed. Type - transport wheels D50mm, load capacity 35kg, rotating with brake.</p> <p>The ends of the profiles are provided with black PA-GF caps.</p> <p>Grooves is possible covered with PVC cover profiles. We can add the PVC cover profiles in the offer if you required.</p> <p>Surface finish of aluminum frame profiles and mounting brackets is natural matt anodized. The steel fasteners are galvanized.</p> <p>Anodizing the profile or other coatings of the accessories acts as an insulator, so that the conductivity can only be achieved by breaking these coatings at the point of the connecting elements. The electrical conductivity of the structure can be achieved using a PVS coupling system for electrically conductive interconnection. In the design solutions are used.</p> <p>Contain accessories: Table contain box with three drawers. Dimensions 32,5 x 44 x 64 cm.</p> <p>The price is calculated for delivery of completely assembled table..</p> <p>Shown are prices for nuts and threaded plates for profile grooves.</p>			
Price	Base price after discount 5%	1 pcs	Quantity	For the quantity
	1. Proposal, design and production of Table with box	29 330 KĀ	1	29 330 KĀ
	2. Threaded plates in the profile groove M3, M4, M5, M6	7 KĀ	0	0 KĀ
	3. Light extrusion nuts for additional insertion in the profile groove M4, M5, M6	22 KĀ	0	0 KĀ
	5. Expedition-packing for clean rooms.	950 KĀ	1	950 KĀ
	6. Transport.	1 500 KĀ	1	1 500 KĀ

		Prices out of VAT		
Date of delivery	Cca 3 weeks.			
Guarantee	2 years.			
Payment terms – to negotiations	Due date 21 days.			
Offer validity	3 month			
Next information				
	The production will be done according to customer requirements and customer-approved documentation. Compliance with safety requirements is approved by the customer's security technician.			
	The customer-user is responsible for checking the electrically conductive connection of all metal parts of the device after the installation and grounding of the equipment according to valid standards and regulations.			
	The product is not a specified product according to Government Regulation 176/2008 Coll. About technical requirements for machinery. No Declaration of Conformity with Technical Requirements will be issued, the product will not be CE marked.			
	To discuss the offer, please contact the APM Engineering Design Office at any time.
