Licenses				
Part Number	Description	Qty	Term	Net Price
INF01013	"ChemOffice Professional for Windows provides the complete personal scientific informatics solution. It includes ChemDraw Professional, Chem3D Ultra, Chem3D hotlink, with GAMESS and interfaces to MOPAC, Gaussian, Conflex and Autodock. It also features ChemFinder Ultra with analysis and clustering tools. Annual Site Subscription, includes Bronze Support. Includes Elements Cloud ELN One Year Subscription. Includes one year subscription of Elements Basic cloud software (the "Subscription") from date of delivery of ChemOffice Professional licenses. The Subscription automatically renews for additional one year term(s) solely if Customer pays for annual maintenance for the ChemOffice Professional license(s). If Customer's annual maintenance for ChemOffice Professional license(s) expires; the right to use the Subscription terminates and Customer's access to Subscription shall end."	1	8/10/2016 - 8/9/2019	EUR17,475.00
