Dear Mr. Shanel,

I confirm that the attached offer, received in March, is still valid , but only this month. After May 1st, 20% reinstatement fee will be applied.

If you would like to order, please reply back to this email with the purchase order, but no later than April 28th , to avoid any delays in processing due to end of month activities.

Please let me know if I can assist you with any other information.

Thank you!

Mihaela Ion
