Please ensure your purchase order number is provided.

### Free Shipping

Unless otherwise quoted customer orders over €500 for delivery to EU addresses are shipped free of charge using UPS standard service (usually 2 working days). Items that are in stock and that do not require configuration will usually be dispatched within 48 hours of the order being received.

### Express Shipping Options

Orders received before midday for items in stock which require no configuration or testing may be eligible for Express Delivery (normally next day) for an additional charge of €35. This will be dependent on the delivery address post code as our carrier does not offer or guarantee this service to all post codes. If this option is of interest please discuss with one of our sales team when placing the order, who will be able to confirm whether this option is available to you.

Express Shipping must be ordered as a line item on your purchase order.

**Offer validity** : **Due to the current situation we ask for your understanding that our offers are currently only valid for 2 weeks.**

Delivery Time : Approximately 25 days after receipt of order

Warranty : Hardware Warranty 24 months, unless otherwise stated

Shipping Terms : EXW - Ex warehouse, plus VAT

Payment Terms : To be agreed (New Customer)
