Veřejná vysoká škola dle zák. 111/1998 Sb. ve znění pozdějších předpisů, o vysokých školách, nezapsána
v obchodním rejstříku,
(dále jen „*odběratel*“)

II.
Prohlášení smluvních stran

- 1) Dodavatel **prohlašuje, že je společností řádně založenou, právoplatně organizovanou a v dobrém postavení dle platného právního řádu České republiky.**
- 2) Dodavatel **prohlašuje, že není v úpadku a není proti němu vedeno insolvenční řízení, a že není ve vztahu k poskytovateli rozhodnuto o způsobu řešení úpadku v insolvenčním řízení.**
- 3) **Dodavatel je smluvním partnerem zahraničního vydavatele uvedeného v příloze 1 smlouvy a zároveň je oprávněným autorizovaným distributorem jeho produktů a má právo, podle podmínek této smlouvy, poskytovat licence k uvedeným produktům v ČR.**

III. Předmět smlouvy

- 1) Předmětem smlouvy je zajištění elektronického informačního zdroje uvedeného v příloze č. 1 smlouvy (dále jen „produkt“) pro odběratele. Produkt je poskytován odběrateli formou online přístupu k serveru vydavatele v období od 1.9.2020 do 31.8.2021. Součástí předmětu smlouvy je technická a provozní podpora pro zpřístupnění elektronických knih oprávněným uživatelům odběratele po dobu trvání licence, odborné konzultace a spolupráce při zajištění školení pro uživatele. Dále jsou součástí předmětu také ostatní práce a výkony touto smlouvou výslovně neuvedené, avšak dodavatel věděl, vědět měl nebo mohl vědět s ohledem na svoje odborné znalosti a zkušenosti, že jejich provedení je nutné pro řádné splnění smlouvy.

IV. Smluvní vztahy

- 1) Dodavatel se zavazuje zpřístupnit produkt odběrateli k datu uvedenému v odst. 1) čl. III. Odběratel je povinen informovat bezodkladně Dodavatele v případě, že přístup k Produktu nebude ke dni zahájení přístupu aktivní nebo funkční. Dodavatel je povinen do tří dnů od nahlášení takového neaktivního nebo nefunkčního přístupu k Produktu provést nápravu a přístup k Produktu řádně pro Odběratele nastavit.
- 2) V případě nedodržení dohodnutého termínu zajištění přístupu k Produktu se Dodavatel zavazuje Odběrateli zaplatit smluvní pokutu ve výši 0,01 % z ceny předmětu plnění, a to za každý započatý den prodlení. Smluvní pokuta může být v souladu s ustanovením odst. 1) tohoto článku uplatněna nejdříve od čtvrtého dne od data zahájení přístupu. Tím není dotčeno oprávnění Odběratele požadovat náhradu škody způsobenou porušením povinnosti ze strany dodavatele, na kterou se vztahuje smluvní pokuta.
- 3) Vzhledem k charakteru předmětu smlouvy (obsah elektronických knih je chráněn autorským právem) se na užití produktu vztahuje ustanovení licenčních podmínek odpovídajícího vydavatele.
- 4) Dodavatel neodpovídá za to, jak aktuální a kvalitní informace jsou ve zpřístupňovaných elektronických knihách k dispozici. Dodavatel rovněž neodpovídá za případnou existenci poruch v přístupu k elektronickým knihám či jeho dočasnou nedostupnost, kterou nezavinil porušením svých povinností.
- 5) Dodavatel se zavazuje poskytovat Odběrateli technickou podporu nezbytnou pro to, aby mohl odběratel přístup k Produktu plně využívat. Dodavatel se zavazuje na zaslané žádosti o poskytnutí technické podpory Odběrateli odpovědět nejpozději do 3 pracovních dnů.
- 6) Dodavatel se zavazuje, že veškeré závady bránící řádnému přístupu odběratele k Produktu odstraní do 10 pracovních dnů od jejich nahlášení. Ustanovení tohoto bodu se nedotýká:
 - předem řádně nahlášených omezení přístupu k Produktu, o kterých bude Odběratel Dodavatelem prokazatelně uvědomen alespoň 5 pracovních dní předem;
 - problémů s připojením k internetu na straně Odběratele;
 - změny IP adres Odběratele, o které nebyl Dodavatel předem vyrozuměn;
 - případů, kdy byl přístup k Produktu přerušen z toho důvodu, že Odběratel při nakládání s Produktem jednal v rozporu s ustanoveními o uživatelských právech dle licenční smlouvy vydavatele (vlastníka obsahu).

- 7) **V případě nedodržení dohodnutého termínu odpovědi na zaslouanou žádost o poskytnutí technické podpory dle tohoto článku se Dodavatel zavazuje Odběrateli zaplatit smluvní pokutu ve výši 0,01 % z ceny předmětu plnění, a to za každý započatý pracovní den prodlení. Tím není dotčeno oprávnění Odběratele požadovat náhradu škody způsobenou porušením povinností ze strany Dodavatele, na kterou se vztahuje smluvní pokuta.**
- 8) **Kontaktní osobou na straně odběratele je [REDAKCE]. Kontaktními osobami na straně dodavatele je [REDAKCE].**

V.

Cena a platební podmínky

- 1) **Cena za plnění v rámci této smlouvy je cenou smluvní mezi odběratelem a dodavatelem ve výši dle přílohy 1 a je splatná jednorázově za celé období plnění dle čl. III. Cena je uvedena v britských librách (GBP) bez DPH.**
- 2) **Odběratel se zavazuje uhradit smluvní cenu na základě daňového dokladu, který je dodavatel oprávněn vystavit po podpisu smlouvy oběma smluvními stranami. Dodavatel zašle fakturu nejprve elektronicky na emailovou adresu kontaktní osoby odběratele a následně poštou na adresu odběratele, uvedenou v čl. I této smlouvy.**
- 3) **Daňový doklad (dále jen „faktura“) bude dodavatelem vystaven v českých korunách. Fakturovaná částka v českých korunách bude kalkulována na základě ceny uvedené v příloze č. 1 této smlouvy a aktuálního směnného kurzu banky dodavatele. Při fakturaci bude aplikována DPH v aktuálním zákonem stanovené sazbě.**
- 4) **Splatnost faktury vystavené dodavatelem dle odst. 2 a odst. 3 tohoto článku je sjednána na 30 dnů ode dne jejího doručení odběrateli. Faktura musí obsahovat všechny náležitosti řádného účetního a daňového dokladu ve smyslu příslušných zákonných ustanovení. V případě, že faktura nebude mít odpovídající náležitosti, je odběratel oprávněn zaslat ji ve lhůtě splatnosti zpět dodavateli k doplnění či opravě, aniž se tak dostane do prodlení se splatností; lhůta splatnosti počíná běžet znovu od opětovného doručení náležitě doplněného či opraveného dokladu.**
- 5) **Dodavatel se zavazuje zdržet se jakéhokoliv zvyšování nabídnuté ceny po celou dobu účinnosti smlouvy.**
- 6) **Pro případ prodlení odběratele se zaplacením faktury se sjednává smluvní pokuta ve výši 0,05 % ze smluvní ceny za každý den prodlení, která je splatná do 10 dnů ode dne doručení výzvy k jejímu zaplacení.**

VII.

Závěrečná ustanovení

- 1) **Od smlouvy lze odstoupit v případě podstatného porušení smluvních závazků druhou stranou – a to doručením písemného odstoupení od smlouvy druhé straně, v němž bude sdělena skutečnost, v níž je spatřováno podstatné porušení smlouvy. Za podstatné porušení této smlouvy se považují: prodlení odběratele se zaplacením ceny přesahující 30 dnů, prodlení dodavatele se zpřístupněním produktu odběrateli ve sjednané lhůtě nebo úpadek dodavatele dle platného insolvenčního zákona.**

- 2) Veškeré změny a doplňky této smlouvy musí být učiněny písemnou formou a podepsány oprávněnými zástupci obou smluvních stran.
- 3) Pokud se stane některé ustanovení smlouvy neplatné nebo neúčinné, nedotýká se to ostatních ustanovení této smlouvy, která zůstávají platná a účinná. Smluvní strany se v takovém případě zavazují nahradit dohodou ustanovení neplatné nebo neúčinné ustanovením platným a účinným, které nejlépe odpovídá původně zamýšlenému účelu ustanovení neplatného nebo neúčinného.
- 4) Případné rozpory se smluvní strany zavazují řešit dohodou. Teprve nebude-li dosažení dohody mezi nimi možné, bude věc řešena u věcně příslušného soudu dle zákona č. 99/1963 Sb., občanský soudní řád, ve znění pozdějších předpisů, a to u místně příslušného soudu, v jehož obvodu má sídlo odběratel. Rozhodčí řízení je vyloučeno.
- 5) Tato smlouva podléhá hodnotou plnění podle zákona č. 340/2015 Sb., o registru smluv, ve znění pozdějších předpisů, povinnosti uveřejnění v registru smluv zřízeném na základě citovaného zákona. Smluvní strany se dohodly, že uveřejnění této smlouvy v registru smluv postupem podle citovaného zákona zajistí Odběratel. Smlouva nabývá účinnosti řádným zveřejněním v registru smluv.
- 6) Smlouva je vyhotovena v elektronické podobě s hodnotou originálu.
- 7) **Nedílnou součástí smlouvy jsou tyto přílohy:**
Příloha 1 – Specifikace produktu a cena
Příloha 2 – Seznam titulů dostupných v rámci „Life Sciences Collection“

Příloha č. 1 – Specifikace produktu a cena

Produkt: Přístup k elektronickým knihám formou Evidence Based Acquisition (EBA) od vydavatele Cambridge University Press (CUP), Kolekce "Life Sciences"

Cena: GBP 7000

Po dobu trvání přístupu bude odběrateli zajištěn přístup ke všem více jak 2000 titulům elektronických knih z této kolekce. Seznam titulů je obsahem Přílohy č. 2 této Smlouvy. Po skončení smluvního období má odběratel právo si dle svého uvážení vybrat z těchto titulů do trvalého vlastnictví elektronické knihy v hodnotě zaplacené ceny.

Popis Kolekce „Life Sciences“

Cambridge University Press je jedním z předních vydavatelů v oblasti ekologie a konzervační biologie. Publikuje tituly v celé šíři tzv. živých věd, se zaměřením zejména na chování zvířat, biologickou antropologii, evoluční biologii a výpočetní a systémovou biologii.

Publikovaná témata:

Bioengineering; Bioethics; Ecology and conservation;

Entomology; Evolutionary Biology; Genetics; Bioinformatics and systems biology; Life science professional development;

Natural resource management; Neuroscience; Pharmacology and drug discovery; Plant science; Quantitative biology;

Biostatistics and mathematical modelling; Zoology

Klíčové knižní série:

- Ecological Reviews
- Conservation Biology
- Ecology, Biodiversity and Conservation

Nejdůležitější tituly knih:

- Cephalopod Behaviour
- Wild Chimpanzees
- Genome Editing and Engineering
- Introduction to Population Biology
- Field and Laboratory Methods in Animal Cognition
- Conservation Politics
