Upon receipt of the license key, you warrant that (a) you have a valid contract with a Dassault Systèmes group company and (b) that the Dassault Systèmes group product associated with this license key will be used strictly in accordance with the contract for which the license key has been generated. You are responsible to make sure that the license keys are consistent with the contract in place, notably with respect to: your company name, its localization, the name of the authorized users in case of products not yet commercially available and the list of machines on which the programs will be installed. If you have no valid contract, you have no right to use the product associated with the license key. You cannot transfer this license key or associated product to a third-party without prior written authorization from the Dassault Systèmes group company with which you have a contract.
