FYZIKALNI USTAV AV ČR, v.v.i.
ELI-Beamlines Project
Technical contact: Dr. Stefan Borneis
Na Slovance 2
182 21 PRAHA 8
Česka Republika

January 17th, 2017

Quotation No.: FK-2017-001

Dear Stefan,

Please find below my consulting services that I am happy to perform in cooperation with you and your team:

- clean room cleaning and its validation for high-power laser beam transport components
- clean construction installation services
- supervision of fabrication of components at ELI vendors for quality assurance
- logistics support (I have a truck drivers' license)

Hourly billing rate will be 25 €, no VAT required in accordance with the German small scale business rules set in the German § 19 UStG. Travel expenses will be invoiced depending on actual cost, 30 cent per driven km with my personal car, potential flights and hotel per provided receipt. Monthly invoicing will be based on my task list/time card. Maximum number of total hours will be limited to a value of 14 500 €.

Please note that I cannot accept liability for any errors or omissions. I will execute my work with utmost care. By placing the purchase order FYZIKALNI USTAV AV ČR, v.v.i. constitutes the acceptance of this clause.

My expertise in the field of high-energy Petawatt laser systems is based on the PHELIX laser project of GSI Darmstadt in Darmstadt, Germany, where I have gained expert experience in all areas mentioned above.

Thanks!

Best regards,
Frieder Knobloch
