## General Terms and Conditions of Business

of TÜV Technische Überwachung Hessen GmbH (hereinafter referred to as "TÜV Hessen") governing freely agreed (=non-regulated) services, in particular activities involving testing and inspection, consultancy and expert opinions

- 1.1 As laid down in its articles of association, TÜV Hessen provides technical services in the form of expert opinions, tests and inspections, measurements/laboratory services, consultancy/concept planning and specialized training courses and develops services and the associated products in the field of new technologies.
- The customer shall accept TÜV Hessen's General Terms and Conditions of Business and schedule of fees valid at the time of order placement. Deviating terms and conditions of business of individual customers cannot be recognized as a matter of principle, unless such terms and conditions have expressly been confirmed in writing.
- Ancillary agreements, promises and other statements by TÜV Hessen employees or officially authorized experts called in by TÜV Hessen shall only be considered binding if expressly confirmed by TÜV Hessen in writing. This shall also apply to any amendments to this clause.

### Contractual Performance

- Unless otherwise agreed, the contractual services will be rendered in accordance with the statute law applicable at the time of entry into force of the contract. TÜV Hessen shall be entitled to exercise its reasonable discretion in determining the method or type of investigation or assessment, provided that no conflicting written agreements have been made or that no specific course of action is required by mandatory law. TÜV Hessen shall perform the contractual services and/or prepare expert reports in accordance with the established state of the art and unless otherwise agreed in writing in the manner customary at TÜV Hessen. Unless otherwise explicitly agreed in writing, no responsibility shall be assumed for the correctness of the safety programs and safety regulations on which the tests and inspections have been based.
- TÜV Hessen shall be entitled to make use of sub-contractors in the implementation of the order.
- The scope of contractual activities to be performed by TÜV Hessen shall be defined in writing on placement of order. If any modification or extension of the defined scope of order prove necessary within the context of due performance of the contract, they shall be additionally agreed upon in advance and in writing. In such cases, customers shall have the right to withdraw from the contract, if they can no longer be expected to remain a party to the contract in view of the modification or extension. However, in accordance with Article 649 of the BGB (German Civil Code), the customer shall pay the agreed compensation or, if no sum has been agreed, a suitable remuneration.

## Deadlines, Default, Impossibility of Performance

- The deadlines for contractual performance quoted by TÜV Hessen shall be binding only if this has been explicitly agreed upon in writing.
- Should TÜV Hessen, for reasons for which it is to blame, have exceeded a binding deadline for contractual performance and thus be in default of its contractual obligations, the customer shall have the right to claim compensation for any damage due to delayed performance. Compensation shall amount to 1 % of the value of the contract whose performance is delayed under the terms of the contract for each completed week of delayed performance up to a total of 25 % of the above value. Any further claims for damages shall be governed by the provisions set out in Section 5.
- 3.3 Should TÜV Hessen's customer, in the case of delayed performance, grant a reasonable additional period within which performance is to take place and should TÜV Hessen fail to observe this new deadline or ascertain that performance is no longer possible, the customer shall have the right to withdraw from the contract and – if TÜV Hessen is at fault – claim damages in lieu of performance. Articles 281, 323 of the BGB (German Civil Code), shall remain unaffected hereby.

- Warranty by TÜV Hessen only covers contractual services with which it has been explicitly commissioned as per Section 2.1. Warranty regarding the proper condition and overall functioning of the plants to which the inspected or tested parts belong shall therefore be excluded. In particular, TÜV Hessen shall not assume any responsibility for the design, materials and construction of the examined plants unless these issues have been explicitly included in the contract. Even if the latter is the case, the warranty and the legal responsibility of the manufacturer shall be neither restricted
- 4.2 Any warranty given by TÜV Hessen shall initially be restricted to supplementary performance to be completed within a reasonable time limit. Should such supplementary performance fail, i.e. be impossible or unacceptable for the customer or be unjustifiably refused or delayed by TÜV Hessen, the customer shall be entitled, at its discretion, either to a reduction of the price or rescission of the
- Notwithstanding the sale and purchase of consumer goods and the consumer contracts which fall within the scope of Article 651 of the BGB (German Civil Code), any claims for supplementary per-formance, reduction of price or rescission of the contract, which are not subject to the limitation periods of Article 438 (1) No. 2 or Article 634a (1) No. 2 of the BGB (German Civil Code), shall be time-barred after one year following the beginning of the statutory limitation period, unless TÜV Hessen has maliciously concealed the defect.
- Any claims for repayment of expenses covered by Article 635 (2) of the BGB (German Civil Code), shall not be affected by this clause.

# Liability

- 5.1 TÜV Hessen shall only be liable for damages regardless of their legal basis if TÜV Hessen has caused any damage as a result of an intentional or grossly negligent act or if TÜV Hessen has negligently breached a substantial contractual obligation ("material obligation"). In the event that TÜV Hessen is in breach of any substantial contractual obligations, TÜV Hessen shall only be liable for the damage related to and typically foreseeable under the particular contract at the time of entering 9.2
- 5.2 In the event that TÜV Hessen is liable under no. 1 above for damages caused as a result of having breached, by an act of negligence, a substantial contractual obligation, its liability shall be limited in each single case to:

1,000,000.00 EUR for property damage, 500,000.00 EUR for economic loss.

In the case of claims for damages under the Atomic Energy Act (AtG), Article 13 (5), arising out of The bandling, and in particular the transport, of adioactive substances under a license issued to TÜV Hessen to carry out such activities outside nuclear power stations, TÜV Hessen shall only be liable up to the officially insured amount in each case of damage. Any further liability by TÜV Hessen shall be governed by Section 5.1 hereunder.

- 5.4 TÜV Hessen shall not be liable for any damages caused as a result of a negligent breach of a nonsubstantial contractual obligation.
- "Substantial contractual obligations" are those obligations that protect the customer's legal interests deemed to be substantial to the contract, which the contract, based on its content and purpose, must specifically grant to the customer; further, such contractual obligations are substantial which are deemed to be prerequisites for proper performance of a contract and upon the observance of which the customer has generally relied and may rely.
- The liability exemption contained in Section 5.1-5.5 and/or the liability limits shall not apply to damage to life, person, or health; nor shall it apply for claims under a warranty or claims based on the German Product Liability Act.
- Any person making claims under this contract shall without delay inform TÜV Hessen in writing about any potential damage for which TÜV Hessen could be liable.
- If claims for damages against TÜV Hessen are excluded or limited, this shall extend to any personal liability of any statutory organs, experts, miscellaneous employees, vicarious agents or any other auxiliary personnel of TÜV Hessen.
- Save for the instances governed by Section 5.6, any claims for damages, which are not subject to the limitation periods of Article 438 (1) No. 2 or Article 634a (1) No. 2 of the BGB (German Civil Code), shall be time-barred after one year following the beginning of the statutory limitation period.
- 5.10 Notwithstanding the above provisions of Sections 5.1-5.9, the customer shall be obliged to obtain standard insurance cover for direct or indirect damage

## Terms of Payment, Prices

- Unless a fixed price or other calculation basis has been explicitly agreed upon, services shall be billed in accordance at the prices valid at the time of performance
- Reasonable advance payments may be requested and/or partial invoices covering services already rendered may be made out. Partial invoices need not be designated as such. The receipt of an invoice does not mean that the order has been billed completely by TÜV Hessen.
- Unless otherwise agreed the remuneration invoiced in accordance with Section 6.2 and/or the final invoice after acceptance of work shall be due for payment immediately upon invoicing. Article 286 of the BGB (German Civil Code) shall not be affected by this clause.
- The remuneration shall be subject to the value added tax at the applicable statutory rate. The amount of value added tax shall be shown separately on the invoice
- Any objections to invoices must be made in writing to TÜV Hessen within a 14-day preclusion period after receipt of invoice, with reasons stated.

## Secrecy, Copyright, Data Protection

- TÜV Hessen shall have the right to copy and file any written documents submitted for perusal which are important for performance of the order.
- In as far as expert opinions, test results, calculations and the like that are protected by convight are prepared within the scope of contractual performance, TÜV Hessen shall grant the customer a simple, non-transferable right of use, if this is required by the underlying purpose of the contract. This transfer of copyright explicitly shall not include the transfer of any other rights; the customer shall, in particular, not be entitled to change (process) or use expert opinions, test results, calculations and the like outside its business. Any publication or duplication for marketing purposes shall require TÜV Hessen's prior consent in writing.
- $T\ddot{\text{U}}\text{V}$  Hessen, its employees, and the expert engineers called in by  $T\ddot{\text{U}}\text{V}$  Hessen shall not, without authorization, disclose or turn to use any business or company circumstances of which they become cognizant during their activities.
- TÜV Hessen shall store, process and use customer personal data for the proper implementation of the order and for its own purposes. To this end, TÜV Hessen will also use automated data processing systems. In order to meet the data protection requirements outlined in the appendix to Article 9 of the BDSG (German Data Protection Act), TÜV Hessen has taken technical and organisational measures to ensure the security of its data and data processing operations. The employees engaged in data processing are bound by the BDSG and are expected to observe all data protection regulations strictly

# Jurisdiction, Place of Performance, Applicable law

- In as far as the prerequisites outlined in Article 38 of the Code of Civil Procedure have been fulfilled, the place of jurisdiction for the assertion of claims by both contractual partners shall be the domicile of TÜV Hessen
- Place of performance for any obligations arising out of the contract shall be the domicile of TÜV
- 8.3 The contractual relationship and all legal relations arising from it shall be exclusively governed by, and construed in accordance with, the laws of the Federal Republic of Germany without regard to its provisions on the conflict of laws and the UN Treaty on the International Sale of Goods (CISG) which shall be expressly excluded.

## Scope of Application, Miscellaneous

- These General Terms and Conditions of Business shall apply to enterprises and all public corporations and Special Funds of the Federal Government as defined in Article 310 of the BGB (German Civil Code), unless explicitly agreed upon otherwise.
- If the customer does not belong to the group of persons cited in Section 9.1 hereunder and enumerated in Article 310 of the BGB (German Civil Code), these General Terms and Conditions of Business shall apply with the following provisos:
  - Contrary to Section 3.1 above, the deadlines for order processing quoted by TÜV Hessen shall be binding;
  - Section 4.3 shall not apply;
  - -Section 5.9 shall not apply;
  - Section 8.1 shall apply with the following proviso: The domicile of TÜV Hessen shall be agreed as the place of jurisdiction, if the customer moves its domicile, residence or normal place of abode to an area outside the purview of German law, or if the customer's domicile, residence or normal place of abode is unknown when the judicial action is brought;
  - Section 8.2 shall not apply.
