

PRICES

The participant below completes the offer prices for individual combinations of the subject of performance divided according to the material used for the Prelaminate and according to the Prelaminate installation of the specified types of chip modules. The unit prices supplemented below are set as the highest allowable prices and all economically justified costs are included in the stated unit prices, which the participant, as a professional company, must know that will be necessary to carry out the contract under the terms of this contract, the mood for transport to the place of delivery of the subject of the contract and other costs and a reasonable profit.

PVC material - in basic version 3 x 7 Prelaminates (435 x 295 mm)**High frequency chip modules**

ITEM - Chip modul type	Quantity (pcs.)	Unit tender price in EUR excl. VAT for 1 pcs of Prelaminate (*)	Total SUM
PVC with chip Mifare Classic S50 4B NUID EV1 MOA8, 16,5 +/-2 MHz, 17 pF, 3x7 Prelaminates, thickness after lamination 0,42 +/- 0,03 mm	xxx pcs		0,00 EUR
PVC with chip Mifare DESfire EV1 4kB MOA8, 16,5 +/-2 MHz, 17 pF, 3x7 Prelaminates, thickness after lamination 0,42 +/- 0,03 mm	xxx pcs		0,00 EUR
PVC with chip Mifare DESfire EV1 8kB MOA8, 14,5 +/-0,5 MHz, 17 pF, 3x7 Prelaminates, thickness after lamination 0,42 +/- 0,03 mm	xxx pcs		0,00 EUR

PVC material - in basic version 3 x 5 Prelaminates (330 x 295 mm)**High frequency chip modules**

ITEM - Chip modul type	Quantity (pcs.)	Unit tender price in EUR excl. VAT for 1 pcs of Prelaminate (*)	Total SUM
PVC with chip Mifare Classic S50 4B NUID EV1 MOA8, 16,5 +/-2 MHz, 17 pF, 3x5 Prelaminates, thickness after lamination 0,42 +/- 0,03 mm	xxx pcs		0,00 EUR

PVC material - in basic version 3 x 7 Prelaminates (435 x 295 mm)

Combination of 2 types of chip modules

ITEM - Chip modul type	Quantity (pcs.)	Unit tender price in EUR excl. VAT for 1 pcs of prelaminate (*) - 1pcs of Prelaminates = combination of 2 chip modules)	Total SUM
PVC Mifare DESfire EV1 8kB MOA8 and EM4102, 16,5 +/-2 MHz, 17 pF and 128 +/-6 kHz, 78 pF, 3x7 Prelaminates, thickness after lamination 0,48 +/- 0,03 mm	xxx pcs		0,00 EUR

(*) The participant will fill only a numeric value without specifying the currency. The participant is obliged to price all the listed items
The participant shall add to the tables only unit prices (yellow-colored cells).

Total Tender Price in EUR excl VAT (for purposes of evaluation):	76 570,00 EUR
