Offer No. N050/21

Dear Mr. Taylor,

On the basis of your request during preliminary design review on **10th December 2020** and a final design review on **26th January 2021** a following additional work is made:

Pos. 1 – Optical table modification

- Optical table modification + Additional structural and modal simulation of the optical table. Optical table is made in a way that its upper part can be removed inside the chamber.
- Lifting lugs update to add additional lifting lugs on the chamber, lid, and the optical table.
- Additional structural and modal simulation of the optical table caused by design changes.

Price: 46.540,- CZK

Pos. 2 – Input flange modification

- Flange modification to compensate length of an input beam transport with bridged vacuum bellow.
- Update of all affected manufacturing drawings.

Price: 9.360,- CZK

Warranty:

The warranty period is **24 months** from the date of startup.

Offer is valid until: 1 month from the date offer was sent to the Receiver

If you should have any questions, please do not hesitate to contact me.

Thank you for your interest in our company and looking forward to your reply.

Best regards,

Emil Černý
