Hi [REDACTED],

thankyou for your enquiry about our Adolf Loos Vienna armchair, shipping costs to Pilsen in Czech Republic would be £300 pounds sterling, total cost excluding import duty and taxes is £1800 pounds sterling, we would require payment by International bank wire transfer, we can send you an invoice together with our bank details, once we receive payment by bank transfer we will then ship the armchair out to you, if you can advise your full delivery address with zipcode also contact landline and mobile telephone numbers as the courier will require your contact phone numbers. To let you know that as the United Kingdom has left Europe you will have to pay import duty vat taxes just so you are aware of this. We would send you the online tracking once its shipped delivery time within 2 weeks of receiving payment.

Yours Sincerely
