Interest shall be calculated on the basis of Article 5.1(a).

3.1.B Floating Rate Tranches

The Borrower shall have the right to refuse in writing such disbursement within the deadline specified in the notice and shall bear charges incurred as a result, if any, in which case the Bank shall not effect the disbursement and the corresponding portion of the Credit shall remain available for disbursement under Article 1.2.B. Definitions of Relevant Interbank Rates

I. EURIBOR

“**EURIBOR**” means:

- (a) in respect of a relevant period of less than one month, the Screen Rate (as defined below) for a term of one month;
- (b) in respect of a relevant period of one or more months for which a Screen Rate is available, the applicable Screen Rate for a term for the corresponding number of months; and
- (c) in respect of a relevant period of more than one month for which a Screen Rate is not available, the rate resulting from a linear interpolation by reference to two Screen Rates, one of which is applicable for a period next shorter and the other for a period next longer than the length of the relevant period,

(the period for which the rate is taken or from which the rates are interpolated being the “**Representative Period**”).

For the purposes of paragraphs (a) to (c) above:

- (i) “**available**” means the rates, for given maturities, that are calculated and published by Global Rate Set Systems Ltd (GRSS), or such other service provider selected by the European Money Markets Institute (EMMI), or any successor to that function of EMMI as determined by the Bank; and
- (ii) “**Screen Rate**” means the rate of interest for deposits in EUR for the relevant period as published at 11h00, Brussels time, or at a later time acceptable to the Bank on the day (the “**Reset Date**”) which falls 2 (two) Relevant Business Days prior to the first day of the relevant period, on Reuters page EURIBOR 01 or its successor page or, failing which, by any other means of publication chosen for this purpose by the Bank.

If such Screen Rate is not so published, the Bank shall request the principal offices of four major banks in the euro-zone, selected by the Bank, to quote the rate at which EUR deposits in a comparable amount are offered by each of them as at approximately 11:00 a.m., Brussels time, on the Reset Date to prime banks in the euro-zone interbank market for a period equal to the Representative Period. If at least 2 (two) quotations are provided, the rate for that Reset Date will be the arithmetic mean of the quotations. If no sufficient quotations are provided as requested, the rate for that Reset Date will be the arithmetic mean of the rates quoted by major banks in the euro-zone, selected by the Bank, at approximately 11:00 a.m., Brussels time, on the day which falls 2 (two) Relevant Business Days after the Reset Date, for loans in EUR in a comparable amount to leading European banks for a period equal to the Representative Period. The Bank shall inform the Borrower without delay of the quotations received by the Bank.

All percentages resulting from any calculations referred to in this Section I of this Schedule A will be rounded, if necessary, to the nearest one thousandth of a percentage point, with halves being rounded up.

If any of the foregoing provisions becomes inconsistent with provisions adopted under the aegis of EMMI (or any successor to that function of EMMI as determined by the Bank) in respect of EURIBOR, the Bank may by notice to the Borrower amend the provision to bring it into line with such other provisions.

If the Screen Rate becomes permanently unavailable, the EURIBOR replacement rate will be the rate (inclusive of any spreads or adjustments) formally recommended by (i) the working group on euro risk-free rates established by the European Central Bank (ECB), the Financial Services and Markets Authority (FSMA), the European Securities and Markets Authority (ESMA) and the European Commission, or (ii) the European Money Market Institute, as the administrator of EURIBOR, or (iii) the competent authority responsible under Regulation (EU) 2016/1011 for supervising the European Money Market Institute, as the administrator of the

EURIBOR, (iv) the national competent authorities designated under Regulation (EU) 2016/1011, or (v) the European Central Bank.

If no Screen Rate and/or the EURIBOR replacement rate is available as provided above, EURIBOR shall be the rate (expressed as a percentage rate per annum) which is determined by the Bank to be the all-inclusive cost to the Bank for the funding of the relevant Tranche based upon the then applicable internally generated Bank reference rate or an alternative rate determination method reasonably determined by the Bank.

II. PRIBOR

“**PRIBOR**” means:

- (a) in respect of a relevant period of less than one month, the Screen Rate (as defined below) for a term of one month;
- (b) in respect of a relevant period of one or more months for which a Screen Rate is available, the applicable Screen Rate for a term for the corresponding number of months; and
- (c) in respect of a relevant period of more than one month for which a Screen Rate is not available, the rate resulting from a linear interpolation by reference to two Screen Rates, one of which is applicable for a period of next shorter and the other for a period next longer than the length of the relevant period,

(the period for which the rate is taken or from which the rates are interpolated being the “**Representative Period**”).

For the purposes of paragraphs (b) and (c) above, “**available**” means the rates of interest that are commonly quoted for the relevant maturity.

“**Screen Rate**” means the rate of interest for deposits in CZK for the relevant period as published at 11h00, Prague time, or at a later time acceptable to the Bank on the day (the “**Reset Date**”) which falls two Prague Business Days prior to the first day of the relevant period, on Reuters page PRIBOR= or its successor page or, failing which, by any other means of publication chosen for this purpose by the Bank.

If such Screen Rate is not so published, the Bank shall request the principal Prague offices of four major banks in the Czech Crown interbank market, selected by the Bank, to quote the rate at which CZK deposits in a comparable amount are offered by each of them as at approximately 11h00, Prague time, on the Reset Date to prime banks in the Czech Crown interbank market for a period equal to the Representative Period. If at least 2 (two) quotations are provided, the rate for that Reset Date will be the arithmetic mean of the quotations.

If fewer than two quotations are provided as requested, the rate for that Reset Date will be the arithmetic mean of the rates quoted by major banks in the Czech Crown interbank market, selected by the Bank, at approximately 11:00 a.m. Prague time on the day which falls 2 (two) Prague Business Days after the Reset Date, for loans in CZK in a comparable amount to leading European Banks for a period equal to the Representative Period.

If no rate is available as provided above, PRIBOR shall be the rate (expressed as a percentage rate per annum) which is determined by the Bank to be the all-inclusive cost to the Bank for the funding of the relevant Tranche based upon the then applicable internally generated Bank reference rate or an alternative rate determination method reasonably determined by the Bank.

III. General

For the purposes of the foregoing definitions:

- a) “**Prague Business Day**” means a day on which banks are open for normal business in Prague.
- b) All percentages resulting from any calculations referred to in this Schedule will be rounded, if necessary, to the nearest one hundredth of a percentage point, with halves being rounded up.

- c) The Bank shall inform the Borrower without delay of the quotations received by the Bank.

If any of the foregoing provisions becomes inconsistent with provisions adopted under the aegis of Czech Financial Benchmark Facility (CFBF) (or any successor to that function as determined by the Bank), the Bank may by notice to the Borrower amend the provision to bring it into line with such other provisions.

Re: Finance Contract for CENTRAL BOHEMIA REGIONAL INFRASTRUCTURE - B

Dear Sirs,

I am acting as internal counsel to Středočeský kraj (the “**Borrower**”) in connection with the finance contract (the “**Finance Contract**”) for CENTRAL BOHEMIA REGIONAL INFRASTRUCTURE - B in an amount of CZK 1,750,000,000, made on </> between the European Investment Bank (the “**Bank**”) and the Borrower. I am giving this opinion pursuant to Article 1.4.B of the Finance Contract. All terms used herein and not otherwise defined shall have the same meaning as in the Finance Contract.

I have examined an original of the Finance Contract and such laws, documents and other matters as I have deemed necessary or appropriate for the purpose of giving this opinion.

This opinion is confined to matters of Czech law and no opinion is expressed as to the laws of any other jurisdiction.

Subject to the foregoing, I am of the opinion that:

1. The Borrower is a region (in Czech: *kraj*) validly existing under the laws of the Czech Republic, possessing full legal capacity to sue or be sued in its own name, and has full powers to own all assets which it owns and to carry out the activities which it carries out.
2. The Borrower has the requisite power and capacity to enter into and perform the Finance Contract and the transactions contemplated thereby.
3. Pursuant to </>, the Assembly (in Czech: *zastupitelstvo*) of the Borrower is the sole competent organ to authorise the Borrower to enter into the Finance Contract and such organ has authorised the execution of the Finance Contract. No requirement to authorize the Borrower to enter into the Finance Contract by any organ other than the Assembly (in Czech: *zastupitelstvo*) of the Borrower exists.
4. The Finance Contract has been duly executed and delivered on behalf of the Borrower by </>, </> by virtue of the powers given to them by </>.
5. The entry into the Finance Contract and the compliance with its terms:
 - (i) will not result in violation of any provision contained in any law applicable to the Borrower;
 - (ii) will not conflict with or result in the breach of any provision of, or require any consent under, or result in the imposition of any Security (as defined in the Finance Contract) under, any agreement or instrument to which the Borrower is a party or by which the Borrower or any of its assets is bound; and
 - (iii) will not constitute a default or an event that, with the giving of notice or the passing of time or both, would constitute a default under any such agreement or instrument.
6. No provision exists in the Czech Republic which would make it necessary that the Finance Contract be filed, recorded or enrolled with any court or authority in order to ensure its legality,

- validity or enforceability and the Finance Contract was duly registered in the registry of contracts (in Czech: *registr smluv*)).
7. The Finance Contract constitutes a direct, unconditional obligation of the Borrower which ranks in priority of payment at least *pari passu* with all other present and future indebtedness of the Borrower other than indebtedness mandatorily preferred by law.
 8. To the best of my knowledge after due inquiry:
 - (i) the Borrower is not in violation of any present statute, regulation, judgement or order applicable to it in the Czech Republic;
 - (ii) no statute or regulation has been proposed and no judgement or order is expected which may have any materially adverse effect on the Borrower's prospects or financial condition;
 - (iii) the Borrower is not engaged in, or threatened by, any litigation, arbitration or administrative proceeding the outcome of which may materially and adversely affect its business prospects or financial condition;
 - (iv) the Borrower is not in default under any material agreement, obligation or duty to which it is a party or by which it or any of its properties or assets is bound;
 - (v) there exists no Event of Default (as set out in Article 10.1 of the Finance Contract) and no event which, with the giving of notice, the passage of time or the making of any determination, or any combination thereof, could become such an event of default, and
 - (vi) the entry into the Finance Contract and the compliance with its terms does not and will not conflict with or result in the breach of any provision of, or require any consent under, or result in the imposition of any Security under, any agreement or instrument to which the Borrower is a party or by which the Borrower or any of its assets is bound; the entry into the Finance Contract and the compliance with its terms does not and will not constitute a default or an event that, with the giving of notice or the passing of time or both, would constitute a default under any such agreement or instrument.
 9. The choice of Luxembourg law as the law governing the Finance Contract is valid and enforceable.
 10. Pursuant to Article 11.2 of the Finance Contract, the Courts of the District of Luxembourg City shall have jurisdiction in connection with any claim or dispute between the Borrower and the Bank, and any judgement of such courts pertaining to the Finance Contract can be enforced in the Czech Republic in accordance with the Regulation (EU) No 1215/2012 of the European Parliament and of the Council of 12 December 2012 on jurisdiction and the recognition and enforcement of judgements in civil and commercial matters.
 11. No taxes, duties, fees or other charges, including, without limitation, any registration or transfer tax, stamp duty or similar levy, imposed by the Czech Republic or any political subdivision or taxing authority thereof or therein are payable in connection with the execution and delivery of the Finance Contract, nor in connection with any payment to be made by the Borrower to the Bank pursuant to the same Finance Contract.
 12. All exchange control consents which may be necessary pursuant to the laws of the Czech Republic to receive disbursements, to repay the same and to pay interest and all other amounts due under the Finance Contract are in full force and effect.
 13. The entry into the Finance Contract will not give a rise to any liability of the Bank.
 14. As of the date of the Finance Contract and as of the date hereof, the Borrower is not insolvent and no steps have been taken pursuant to any insolvency, bankruptcy, liquidation or equivalent or analogous proceedings to appoint an administrator, bankruptcy receiver, insolvency officer or liquidator over the Borrower or its assets, and no voluntary or judicial winding-up or liquidation of the Borrower has occurred nor has any action to this effect been taken by the Borrower. The Borrower will not become insolvent under applicable law as a result of carrying out any of the transactions contemplated by the Finance Contract.

Based on the foregoing, I am of the opinion that all requirements currently applicable to the Borrower and governing the Finance Contract in relation to the laws of the Czech Republic have been complied with and that the Finance Contract constitutes legally valid and binding obligations of the Borrower enforceable in the Czech Republic in accordance with their terms.

Yours faithfully,
