Please note the following instructions for the usage of the products:

The handling of research reagents has to be carried out exclusively by trained personnel. There is a fundamental risk of infection caused by cells of human and animal origin. Please read the product description carefully. The lack of a hazard symbol does not mean that the products are harmless.

Further legal information regarding the product usage can be found in our General Terms and Conditions.

### Cancellation by the Customer

(1) The customer may cancel its order with antibodies-online within 24 hours of receipt of the purchase order confirmation notice without any further consequences. The customer will not have any right of withdrawal, however.

(2) In case of cancellations after 24 hours of receipt of the purchase order confirmation notice, antibodies-online may take back the ordered products on a voluntary basis, at its own discretion, and with the issuing of an invoice of a 30% restocking fee, transport costs and any customs duties.

(3) If the buyer has already received the products and if antibodies-online agrees to a return of the products, the products must be returned in the original or appropriate packaging and with the necessary cooling. In case of cancellation, antibodies-online will bear the shipping risk. The customer will be charged for returned products, which are classified as defective as a result of incorrect or interrupted cooling or for other reasons at the discretion of antibodies-online.

Please find our complete TERMS AND CONDITIONS using this link: <https://www.antibodies-online.com/terms/>.

**Payment Terms:** 14 days, net (Creditworthiness non-withstanding)
