

Quotation

Quotation reference: IOCB/2021/01

Dated: 08 July 2021

Description: License for StarDrop™

Client Details

Company Name	Institute of Organic Chemistry and Biochemistry of the Czech Academy of Sciences
Company Address	Flemingovo náměstí 542/2 160 00 Praha 6 Czech Republic
Contact Name	[REDACTED]
Contact E-mail	[REDACTED]

Hereinafter referred to as the "Client"

Outline of License

Renewal of License for the period 17 July 2021 to 16 July 2022, providing:

- Three (3) Floating Licenses for StarDrop. This will allow installation on an unlimited number of Designated Terminals, restricting active use to three (3) users at any given time.
- Two (2) Floating Licenses for the P450 and ADME QSAR modules. This will allow installation on an unlimited number of Designated Terminals, restricting active use to two (2) users at any given time.
- One (1) Floating License for the Auto-Modeller, Nova, BIOSTER, SeeSAR View, SeeSAR Pose, SeeSAR Affinity and torch3D modules. This will allow installation on an unlimited number of Designated Terminals, restricting active use to one (1) user at any given time.

Price

License	Number and type	Total per year (£, exclusive of VAT and sales tax)
StarDrop	Three (3) Floating Licenses	17,550
P450 and ADME QSAR modules	Two (2) Floating Licenses	
Auto-Modeller, Nova, BIOSTER, SeeSAR View, SeeSAR Pose, SeeSAR Affinity and torch3D modules	One (1) Floating License	

The sums mentioned above are exclusive of VAT and sales tax, which, if and when applicable, will be paid by the Client in addition of the mentioned amounts. All sums due under this Quotation shall be made without deduction of income tax or other taxes, charges or duties that may be imposed, except in so far as the Client is required to deduct the same to comply with applicable laws. The Parties shall cooperate and take all steps reasonably and lawfully available to them, to avoid deducting such taxes and to obtain relief from double taxation. If the Client is required to make any such deduction it shall provide Optibrium with such certificates or other documents as it can reasonably obtain to enable Optibrium to obtain appropriate relief from double taxation of the payment in question.

Payment Schedule

On acceptance of Quotation: £17,550 (exclusive of VAT and sales tax)

Purchase Terms and Conditions

This Quotation should be read in conjunction with the StarDrop License Agreement between Optibrium Ltd. and Institute of Organic Chemistry and Biochemistry of the Czech Academy of Sciences dated 14 July 2020 and the accompanying draft Amendment No. 1 (together the "License Agreement") which defines the full terms and conditions of use.

Acceptance of Quotation

Signatures here below or issue of a corresponding purchase order indicates acceptance of this Quotation and requests that Optibrium provide the Software and License indicated according to the terms and conditions set forth in this Quotation and in the License Agreement identified in the previous section. Acceptance of this quotation constitutes mutual written agreement by the Parties of a Renewal Term, as per Clause 2.2 of the License Agreement.
