Designated User(s): The Subscriber is entitled to the number of Designated User(s), described in Section A: Products, during the Subscription Term. A Designated User is defined as a person, employed by the Subscriber. Divisions, departments, groups, standalone PCs, networks, etc. are **not** defined as Designated Users. The Subscriber shall provide the name and email address for each Designated User to Fitch Solutions. The Subscriber may substitute Designated Users from time to time by providing written notice to Fitch Solutions of the new user's name and e-mail address; provided that, no more than the number(s) of Designated User(s) set forth above are entitled to use the Subscription. The e-mail address is used in conjunction with the Designated User's username and password to enable a Designated User to gain access to the service. The username and password created by the Designated User, as well as the e-mail address provided to Fitch Solutions for such Designated User, may only be used by that Designated User and may not be shared with any other employees of the Subscriber or otherwise.

The following practices, inter alia, by the Subscriber, the Designated Users or the Subscriber's employees are deemed to be a misappropriation of Fitch Solutions' intellectual property and a material breach of the Agreement: (1) the sharing of designated usernames, passwords and/or email addresses; (2) the designation of one Designated User in a division, department, group, etc., who accesses the service for other employees in said division, department, group, etc., so that Fitch Solutions does not receive a Designated User fee for each such additional employee accessing the service; and (3) the designation of one user on a standalone PC, whereby employees with access to this standalone PC may access any of the Products, so that Fitch Solutions does not receive a Designated User fee for each such employee accessing the service. The Subscriber shall take all reasonable steps to ensure that only Designated Users access the service.
