> Dear Prof. Motovska,
>

- > Thank you for your submission to the European Heart Journal.
- >
- > We are pleased to inform you that your Editorial entitled "The
- > Cornelian dilemma of quitting DAPT" with reference number
- > EURHEARTJ-D-21-03003R1 has been accepted for publication.
- >
- > Please ensure your Graphical Abstract figure legend contains "author
- > suggestion".
- >
- > In order to further maximise the reach of your contribution we would
- > like to encourage you to record a Podcast of your work (via Facetime
- > or Skype). Please reply to this message, if you are interested in this
- > opportunity.
- >
- > Please add eurheartj.oup@kwgglobal.com to your safe senders list to
- > avoid key emails about the publication of your article potentially
- > going into your spam folder.
- >
- > European Heart Journal authors can opt, at an additional charge, to
- > make their paper freely available online to all immediately upon
- > publication, as part of the Oxford Open initiative. Upon receipt of
- > your manuscript for publication, you will be contacted by the
- > publisher, Oxford Journals, requesting you to complete a licence form
- > and to confirm which option of publication you wish to select. Charges
- > for open access will be indicated if you select this option.
- >
- > Once your paper has been published online, it should take no more than
- > 14 days for it to appear on PubMed. Please further the reach of your
- > research by promoting it on social media. On Twitter, use the hashtags
- > #EHJ and #cardiotwitter to reach the cardiology community and tag
- > @ESC_Journals.
- >
- > Please feel free to contact us at any time with further questions and
- > thank you for submitting to the EHJ.
- >
- > Best regards,
- >
- > Prof. Filippo Crea
