

AGREEMENT

Between

The Service de Coopération et d'Action Culturelle of the French Embassy in Prague and the French Institute in Prague, Štěpánská 644/35, 110 00 Praha 1-Nové Město, represented by xxxxx, Counsellor for Cooperation and Cultural Affairs at the French Embassy and Director of the French Institute in Prague,

and

University of Chemistry and Technology, Prague, Technická 5, 166 28 Praha 6 – Dejvice, represented by the Rector, xxxxx;

*hereinafter referred to as the « Partners »,
have agreed as follows.*

Article 1 – Purpose of the agreement

The French Institute in Prague (IFP) and the University of Chemistry and Technology, Prague commit themselves to financially support French courses for a maximum of 7 students enrolled at University of Chemistry and Technology, Prague at the rate of one course term per student per academic year.

Eligible students are students enrolled at University of Chemistry and Technology, Prague who were selected for performing a mobility to France (study or internship).

Article 2 – French courses

The selected students will benefit from French courses offered at IFP. The French courses which will be offered to University of Chemistry and Technology, Prague students will be determined jointly by the Partners.

Article 3 – Registration to the courses

The registration of students to the selected courses will be based on an official list of nominated students issued by University of Chemistry and Technology, Prague and sent to IFP prior to the beginning of each course registration period. The IFP will confirm registration of University of Chemistry and Technology, Prague students to the course by sending a list of names to e-mail “xxxxx@xxxxx” prior to the start of the course.

Article 4 – Payment of the course fees

The course fees for the French courses organized by the French Institute in Prague will be covered by the Service de Coopération et d'Action Culturelle of the French Embassy in Prague (50%) and the University of Chemistry and Technology, Prague (50%).

The invoice for the payment for the selected students will be accompanied by copies of Certificates of successful course completion issued for individual students by the IFP. Besides, the attendance sheet from the individual courses will be enclosed to the invoice.

The invoices will be issued on a semester basis.

In case the student will not be able to complete the course due to the Force Majeure, the cost of the service shall be covered by the French Institute in Prague (50%) and University of Chemistry and Technology, Prague (50%).

In case the student fails to successfully complete the course due to his fault or negligence, the student him/herself is liable to pay the course fees. The payment shall be facilitated via University of Chemistry and Technology, Prague that is concluding a separate contract with student regarding the admission and participation in the course.

Article 5 – Administration contacts for the cooperation

The following contact persons are responsible for the implementation and administration of this agreement:

IFP:

xxxxx, Attaché for science and higher education, xxxxx@xxxxx

xxxxx, Registration coordinator, xxxxx@xxxxx

University of Chemistry and Technology, Prague:

xxxxx, Acting Head of Department of International Relations; xxxxx@xxxxx

Article 6 – Validity of the agreement

The agreement is valid for a period of two years from the day of publication in the registry of contracts pursuant to the Act No. 340/2015 Coll.

This agreement may be renewed with the consent of the Partners or terminated at the initiative of any Partner with a written notice sent to the partner institution 3 months prior to the expiry date of this agreement in the form of an Amendment.

Any termination must take into consideration the right of students already participating or accepted in the course to complete it.

Each Partner is entitled to withdraw from the agreement in case that the opposite Partner commits a breach of the duty to which this agreement bounds it, or even terminate it for convenience. The Partner which has committed a breach of the contractual duty is obliged to make good the damage to the opposite Partner including appropriately expended costs incurred to the opposite Partner in the consequence of the withdrawal of this agreement. If this agreement is terminated for convenience, the duty belongs to the terminating Partner. The termination of the agreement is effective as of a written notice about termination of the agreement is delivered to the opposite Partner.

This agreement might be amended at any time by the exchange of letters between the two Partners. Such amendments, once approved by both institutions, will become part of this agreement. The amendments cannot be applied to the already enrolled students unless they are favorable to them.

The Partners acknowledge that for its effectiveness this agreement requires the publication in the registry of contracts pursuant to the Act No. 340/2015 Coll., and they agree with this publication. The publication shall be ensured by the University of Chemistry and Technology, Prague. This agreement has been signed in two originals in English. Each Partner will receive one original.
