Aktivity v oblasti profesního - země zapojené do programu	A1	Based on the previous experiences with Covid and its impact, we ask for 160 euro per person to cover the cost of 2 PCR test participants might need to go through when coming to or leaving the Czech Republic. This cost is prevention. We hope that all or at least the most participants will be vaccinated against Covid in a time when activities are taking place. Yet as we cannot guarantee it, we ask for extra fundings so participants don't have to carry extra costs.	2	320,00
