WRITEFULL CONTRACT TERMS

These Contract Terms are made up of two parts: (a) Section A - general terms and conditions; and (b) Section B - product/service-specific terms and conditions (the "Product Terms"). In the event of a conflict, the order of precedence shall be Section B, then Section A, save in respect of clause 5 (which will always prevail).

- SECTION A -

1. Responsibility for End Users

Where these Contract Terms envisage the use of the Products by Non-Staff Users, any obligation to procure such users' compliance with these Contract Terms shall be construed as an obligation to use all reasonable efforts to procure such compliance. The relationship between us and Non-Staff Users shall be exclusively governed by the End User Terms and we shall have no liability whatsoever for any Loss suffered or incurred by any Non-Staff User other than under the End User Terms.

For the avoidance of doubt, you shall be responsible for the use of the Products by Staff Users and references to "you" and similar in these Contract Terms shall include all such persons, as the context requires.

2. Acceptable Use

You shall only use and permit the use of the Products in the manner, to the extent, and for the period and purposes, expressly set out in this Agreement.

You shall not, and shall ensure that none of the End Users (if applicable) shall, do or assist, encourage or permit any person to do any of the following: (a) copy, modify, adapt or create derivative works of any part of the Products; (b) make available, distribute, sell, rent, lease, license, frame, commercialise or use for the benefit of any other person (including as part of a service bureau arrangement) any part of the Products, or use any part of the Products to develop, or otherwise in connection with, a product or service which competes with any of the products and/or services we offer; (c) attempt to bypass any measure we may use to prevent or restrict access to the Products, nor access or use the same in a way or using means not made available by us for that purpose; or (d) decipher, decompile, disassemble, reverse engineer or attempt to derive any source code or underlying ideas or algorithms of, any part of the Products save to the extent permitted by applicable law; (e) upload, store, share, author, modify and/or otherwise use any Prohibited Content via any Product; or (f) use any automated means, including robots, scripts, or spiders to access, monitor, crawl, scrape or mine any part of the Products except those expressly authorised by us in advance in writing.

If we have reason to believe you or any End User is

not complying with this clause or otherwise mis-using any Product, you shall give us access on reasonable notice to such systems, premises and information as we may reasonably request to assess such compliance, provided we take reasonable steps to minimise any interruption to you.

2. Our Intellectual Property Rights

Nothing in this Agreement shall operate to transfer ownership of any Intellectual Property Rights to you, including in the Products. We warrant to you that we own or are licensed to use the Products. We hereby grant to you the non-exclusive rights, as specified in the Product Terms, to use the Products.

If we grant you any rights to use our trade marks, you shall only use such trademarks in accordance with any directions or guidelines we may give you, including as to the form and manner of their application; and such use will be for our benefit and you hereby assign by way of present and future assignment any goodwill that may accrue therefrom. You shall not use our trade marks or confusingly similar trade marks save as expressly provided.

3. Fees, invoicing and payments

In consideration for the provision of the Products, you shall pay us or our Authorised Local Partner the fees specified in the Customer Form or SOW (the "Fees", "SOW" explained in part 12).

Save as expressly provided, the amount of the Fees set out in the Customer Form shall be fixed for the relevant Initial Term and increase by four (4) per cent for each Renewal Period. We may increase the Fees by more than four (4) per cent by giving you no less than ninety (90) days' written notice prior to the expiry of the relevant Initial Term or (subsequent Renewal Period), such increase to apply to the forthcoming Renewal Period. If you do not agree to any such Fee increase, you may choose not to renew this Agreement in accordance with clause 6.

Unless otherwise agreed, the Fees shall be payable (annually, in the case of subscriptions) in advance, by bank transfer to such account as we may nominate from time to time, within thirty (30) days of receipt of an invoice and in the currency set out in the Customer Form.

Interest shall be payable on overdue amounts at a daily rate of five (5) per cent. per annum above Bank of England's base rate from the due date for payment until receipt of the outstanding amount (including any accrued interest) whether before or after judgment. We may suspend any part of the Products during any period of non-payment.

4. Taxes

The amounts set out in any Customer Form are net amounts and are exclusive of any VAT or similar tax ("VAT") and shall be paid free and clear of all

deductions and withholdings, unless the deduction or withholding is required by applicable law. Any applicable VAT shall be paid by you in addition to the amounts set out in the Customer Form.

5. Limitation of liability

Nothing in this Agreement shall limit or exclude liability for: (a) a breach of clause 7; (b) the deliberate misuse of the Products or other wilful misconduct; (c) fraud or to the extent not otherwise permitted by applicable law; or (d) any Fees that have become due (and the other provisions of this clause 5 shall be construed accordingly).

Our total aggregate liability, whether in contract, tort (including negligence or breach of statutory duty) or otherwise, arising under or in connection with this Agreement shall be limited to 200% of the amount of Fees paid or payable under this Agreement in the twelve (12) month period preceding the first event giving rise to liability claimed for.

Save under an indemnity, neither party shall have any liability whatsoever, whether in contract, tort (including negligence or breach of statutory duty) or otherwise, under or in connection with this Agreement for: any loss of profits, revenue, business or savings, depletion of goodwill and/or similar losses, or loss or corruption of data; nor for any special, punitive, indirect or consequential loss. No claim may be brought by you more than twelve (12) months after it has arisen.

6. Term and Termination

This Agreement shall commence on the Start Date and continue for the Initial Term, subject to earlier termination in accordance with its terms, and unless otherwise specified in the Customer Form shall automatically renew for successive twelve (12) month periods (each a **"Renewal Period"**), unless either party gives written notice to cancel this Agreement no less than sixty (60) days prior to the expiry of the relevant Initial Term or Renewal Period (as applicable).

A party may terminate this Agreement with immediate effect by written notice to the other party if the other party: (a) commits a material breach and, if such breach is remediable, fails to remedy that breach within thirty (30) days of being notified in writing to do so; (b) becomes unable to pay its debts when they fall due; or (c) where you are the other party, on six (6) months' notice in relation to a Product that is being discontinued.

Termination of this Agreement will be without prejudice to any rights of either party which may have accrued up to the date of termination. All provisions of this Agreement which are expressly or by their nature intended to survive termination of this Agreement shall so survive, including this clause and clauses 2, 5, 7, 8 and 18.

Unless otherwise expressly provided, you shall

immediately cease using (and undertake not to use or permit the use of) the Product from termination of this Agreement.

7. Customer Materials

Nothing in this Agreement shall operate to transfer ownership of any Intellectual Property Rights in the Customer Materials to us. You hereby grant to us (or shall procure the grant to us of) a non-exclusive license to use Customer Materials to the extent reasonably necessary to enable us to perform our obligations and exercise our rights under this Agreement.

You warrant that the access, provision, processing, distribution or other use of the Customer Materials as contemplated by this Agreement will not infringe or otherwise violate the Intellectual Property Rights or other rights of any person. You shall indemnify us (and respective employees, officers and agents) against any Loss suffered or incurred in connection with an actual or alleged breach of the foregoing, including arising from any third party claim of infringement or unauthorised use of the Customer Materials, provided this indemnity shall not apply to any Loss resulting from our breach of this Agreement.

We shall have no obligation to review or monitor any content, data, information and/or materials ("Content") which Ends Users upload, store, share, author, modify and/or otherwise use via any Product.

8. Confidentiality

Each party: shall not at any time disclose or make available the Confidential Information of the other party to any person or use it for any purpose other than to the extent reasonably required to perform its obligations under this Agreement; and shall ensure that any person to whom it discloses the other's Confidential Information complies with the obligations set out in this clause 8.

Each party shall hold the Confidential Information of the other in confidence and shall use commercially reasonable efforts to protect and maintain the security and confidentiality of the same, taking such precautions as are at least as great as those it takes to protect its own confidential information.

Nothing in this clause shall: prevent a party from disclosing any Confidential Information to the extent required by applicable law, or a court or regulatory body of competent jurisdiction, provided it uses reasonable efforts (if permitted by law) to notify the disclosing party and gives the disclosing party a reasonable opportunity to challenge the disclosure.

9. Your general obligations

You shall: (a) provide us with reasonable co-operation, access and information as we may require, in order for us to perform our obligations under this Agreement, and carry out such acts or things on which that

performance is dependent as we may reasonably request; (b) in using the Products and otherwise, comply at all times with all applicable laws, including those relating to anti-bribery, anti-corruption and export controls, and all applicable user manuals/guidelines; (c) ensure that the End Users (as applicable) fully comply with the terms and conditions of this Agreement; (d) retain a local copy of any Customer Materials you provide us with; (e) not remove, suppress or modify in any way the proprietary markings, including any trademark or copyright notice, used in relation to any of the Products; and (f) report to us any suspected material breach of this Agreement as soon as reasonably practicable so we may take steps to remedy or mitigate the same.

10. Security

You shall use all commercially reasonable efforts to prevent unauthorised access to or use of the Products, via your networks, devices or systems.

You shall not knowingly distribute or otherwise transmit, and shall use all commercially reasonable efforts to prevent the transmission, of any viruses, malware or other harmful code to or via the Products.

If you become aware of any unauthorised use or other security breach relating to any part of the Products, you shall immediately notify us in writing and shall provide such assistance as we may reasonably request to investigate and stop such unauthorised use or breach, and to prevent its recurrence.

You shall ensure that any Access Details are kept secret and not used by more than one person, unless expressly permitted by us, and where Access Details are assigned to a particular individual, they are only used by that individual. You shall immediately notify us if you become aware of any unauthorised disclosure of the Access Details or use of the Products, which we may suspend or de-activate if we consider it is reasonable to do so.

11. Support and Uptime

We shall provide: (a) first-line support to End Users, responding within 24 hours using a ticket-management system supported by staff in the UK and the Netherlands; and (b) second line support during normal UK business hours. End User feedback will be requested when support is provided, to confirm that the issue has been resolved and/or the query has been answered.

We shall use commercially reasonable endeavours to make any hosted part of the Products to which the End Users are granted access under this Agreement available 24 hours a day, seven days a week, except for: planned maintenance carried out during the maintenance window of 05:00am to 09:00am UK time; and unscheduled maintenance and interruptions not resulting from our breach of this Agreement, which in any case we will use reasonable endeavours to give

you notice of. If any unscheduled maintenance or other interruption occurs as a result of our breach of this Agreement we will, at our own expense, use commercially reasonable endeavours to make the affected part of the Products available promptly, or provide you with an alternative means of receiving their benefit. Such correction or substitution constitutes your sole and exclusive remedy for any breach of this clause.

12. Additional Services

From time to time, we may agree to provide integration, configuration, consultancy or other additional services ("**Additional Services**") by signing a statement of work that specifically references the Contract Terms ("**SOW**"). Each such SOW shall: (a) describe the Additional Services, any deliverables and related acceptance criteria; (b) set out the Fees for the Additional Services; (c) form a separate contract incorporating this part A of the Contract Terms (to the extent applicable); and (d) only become effective when duly signed on behalf of both parties and provided that, at the time of signature, this Agreement has not expired or terminated.

13. Force majeure

Neither party shall be liable for any delay in performing, or failure to perform, its obligations under this Agreement if such delay or failure arises from a Force Majeure Event. If a delay is caused, the affected party shall be entitled to a reasonable extension of time for performing its obligations. If the period of delay or non-performance continues for sixty (60) days, either party may terminate this Agreement by giving thirty (30) days' written notice to other party which shall take effect only if the circumstances delaying or preventing performance exist at the expiry of that notice period.

14. Miscellaneous

Unless requested in writing otherwise, we may publicly refer to you as a customer, including on our website(s) and presentational material.

We shall ensure that any person to whom we subcontract our obligations under this Agreement (to whom we may sublicense our rights for that purpose) shall fully comply with the terms and conditions of this Agreement and we shall be liable for their acts and omissions as if they were our own.

Where our Products allow End Users to make suggestions or other contributions to us, you shall ensure we are free and authorised to use the same.

Where our Products include links to third party websites, content and other resources, these are provided for convenience only and any access to, use of and/or reliance upon such resources is done entirely at your own risk and we disclaim all liability arising therefrom.

We shall not be deemed to be in breach of this Agreement or otherwise liable to you for any failure or delay in the performance of our obligations under this Agreement if such failure or delay arises from any act or omission of you (including your staff, agents or sub-contractors) or any End User, including any incompleteness or other deficiency in any information you provide but which you did not specifically bring to our attention in writing prior to the Start Date. Any timescales for the performance of our obligations shall be extended to take account, and we may charge you for additional time, effort and costs we reasonably incur as a result, of such act or omission.

15. Notices

Any notice required to be given under this Agreement shall be in writing and may be delivered by hand or sent by registered mail or e-mail to the other party at the address set out above, or such other address as may have been notified in writing by that party for such purpose, (provided in the case of any notice sent by e-mail in respect of any legal proceedings, a copy must also be sent by hand or registered mail and marked for the attention of the Legal Department) and shall be deemed to have been duly given or made, if delivered by hand, upon delivery, if sent by registered mail, on the recorded date of receipt, or if sent by e-mail when actually received by the intended recipient in readable form. We may give notice of information that is not specific to you or this Agreement by posting on a support, status or other webpage related to that Product, Data or Service.

16. Dispute resolution

The parties shall seek to resolve any dispute in relation to this Agreement by good faith discussions between: (a) the representative of each party named on the Customer Form to which the dispute relates, and if they cannot resolve the dispute within twenty (20) Working Days of the dispute being referred to them in writing; then (b) a representative of the executive management of each party, who shall meet to resolve the dispute and if they cannot resolve the dispute within a further ten (10) Working Days, this process shall be deemed exhausted and either party may refer the matter to the courts.

17. General

Neither party may assign, encumber, sub-license (save as expressly provided) or otherwise transfer or deal with in any way any of its rights and/or obligations under this Agreement without the prior written consent of the other party (such consent not to be unreasonably withheld or delayed), save that we shall be free to assign our rights and transfer our obligations to an Affiliate or purchaser of the part of the business to which this Agreement relates.

Nothing in this Agreement and no action taken by the parties pursuant to this Agreement is intended to or shall operate to create a partnership association, joint

venture or other cooperative entity or relationship of employer and employee between the parties, nor authorise either party to act as agent for the other, and neither party shall have the authority to act in the name or on behalf of or otherwise to bind the other in any way.

A person who is not a party to this Agreement has no right to enforce any part of this Agreement. Any rights granted to you under this Agreement are personal to you, and shall not be considered granted or sub-licenseable to any other person, including any affiliate.

Save as expressly provided, this Agreement may be varied only by a document signed by both parties. This Agreement may be executed in any number of counterparts which together shall constitute one agreement. A waiver in respect of this Agreement shall only be effective if in writing and shall only apply to the specific circumstances for which it is given. No failure or delay by a party to exercise any of its rights under this Agreement shall operate as a waiver thereof. If any provision of this Agreement is or becomes for any reason whatsoever invalid, illegal or unenforceable, it shall be divisible from this Agreement and shall be deemed to be deleted from it and the validity of the remaining provisions shall not be affected in any way.

Save in the case of fraud, each party acknowledges that: this Agreement together with any other documents referred to in it (together the "Contract") constitutes the entire and only agreement between the parties relating to the subject matter of the Contract; and it has not been induced to enter into the Contract in reliance on any representation or other statement of any nature whatsoever other than those set out in the Contract. Without limiting the foregoing, save to the extent expressly set out in this Agreement, the Products are provided "as is" without any representation, condition or warranty of any kind to the maximum extent permitted by applicable law and we make no warranty that (without limitation) the use of the Products shall be uninterrupted or that they will be accurate, complete, error free, non-infringing or fit for a particular purpose.

The parties agree and acknowledge that damages alone may not be an adequate remedy for your breach of this Agreement and that we may (if permitted by the courts) be entitled, without proof of actual damages, posting bond or giving any undertaking, to the remedies of injunction or other equitable remedy for any threatened or actual breach of this Agreement in any court of competent jurisdiction.

18. Governing law and jurisdiction

All disputes arising out of or in connection with the Agreement, including any question regarding its existence, validity, formation or termination, shall be governed by English law and finally settled under the Rules of Arbitration of the International Chamber of Commerce by one arbitrator appointed in accordance with the said Rules. The place of arbitration shall be

Munich, Germany and language to be used in the arbitral proceedings shall be English..
