Standard Terms & Conditions

Your order is made upon and is subject to (i) any terms and conditions specified herein and (ii) the attached Oxford Instruments Standard Terms and Conditions for the Quotation and Sale of Goods and Services which shall govern any contract entered into between Oxford Instruments and a purchaser to the exclusion of any other terms and conditions subject to which any order may be made or purported to be made by a purchaser.

Oxford Instruments is committed to trading with integrity and honesty. If you have suspicions that a transaction involving Oxford Instruments may involve fraud, you can report this directly to our head office by calling +xxxxxxxxxxxxxxxxxx and leaving a voice message.

You shall upon request from time to time provide us with accurate and up to date information, to the best of your knowledge and belief, as to the known or suspected end use and end destination of the Goods, to enable us to comply with export controls. You shall not use the Goods for any purpose, nor export them to any country, other than as disclosed to us in accordance with this contract. You are responsible for obtaining all clearances, licences and consents for any subsequent export of the Goods from the country to which we deliver the Goods and shall indemnify us against any liability, costs, expense or damage incurred by it in relation to your failure to do so or to comply with any request for information or prohibition on use or export.
