Dr. xxxxxxxxxx

Department of Geological Processes

Institute of Geology of the Czech Academy of Sciences

I am Prof. xxxxxxxxxx from School of Earth and Space Sciences, Peking University.

I would like to order Hf analysis of 22 samples of rock powders in Institute of Geology of the Czech Academy of Sciences, with the expected total price of 1,826 EUR (83 EUR per sample for Hf analysis) without VAT. I will pay the analytical cost when the analysis is finished.

Yours Sincerely,

School of Earth and Space Sciences
