3. Further Terms and Conditions of the Transaction

3.1. The Counterparty acknowledges and agrees to have obtained adequate and appropriate information prior to and in good time before entering into this Agreement about the dealing on own account relationship with ACT Financial Solutions, about its conflict of interest policy, about the best execution policy, about ACT Financial Solutions as a regulated investment firm, and about the costs and associated charges in connection with the activities of ACT Financial Solutions. The Counterparty acknowledges and agrees that this Agreement is entered into based on the Counterparty being knowledgeable about this information, without exception.

3.2. The Counterparty acknowledges and agrees to have been made subject to assessment of appropriateness and to the assessment of the client category to which ACT Financial Solutions has classified the Counterparty and the Counterparty has confirmed to accept the classification as a professional investor, either as a result of application of the technical definition of “professional clients” of MiFID II or as a result of the explicit, well-reasoned and well informed own choice by the Counterparty.

3.3. This Agreement is entered into on the Deal Date for indefinite term and will terminate automatically upon full settlement of all obligations of the Parties pursuant to the Transaction.

3.4. ACT Financial Solutions rejects the applicability of any and all terms and conditions the Counterparty applies for vendor, purchase order or any other relationship, whether these terms and conditions are contained in written documents exchanged between the Parties or whether they are purported to apply by reference to publicly available communications from the Counterparty (such as, but not limited to, website or deposits with official agencies).

3.5. The Parties acknowledge and agree that this Agreement regulates, with exclusion of any other Agreements, the entire terms and conditions of the Transaction for the term as set out in Clause 3.3 hereof.

3.6. Notwithstanding any other provision of this Agreement, ACT Financial Solutions shall not have any liability or responsibility (whether in either case, contractual, tortious, express or implied) for any claims and expenses suffered or incurred by the Counterparty arising in connection with the performance of the obligations by ACT Financial Solutions, save where such claims and expenses are suffered or incurred (i) due to gross negligence (*grove nalatigheid*) or willful misconduct (*opzet*) by ACT Financial Solutions or any sub-agent appointed by it, in which case no limitation of liability shall apply or (ii) due to a material breach (*toerekenbare tekortkoming*) of any obligation under this Agreement or negligence (*nalatigheid*) by ACT Financial Solutions or any sub-agent appointed by it, in which case the liability of ACT Financial Solutions shall be limited to an amount equal to EUR 25,000 per event and an amount equal to EUR 100,000 per calendar year.

3.12 This Agreement constitutes an inseparable whole. If any provision of this Agreement is held to be invalid or unenforceable, then such provision shall (so far as it is invalid or unenforceable) be given no effect and shall be deemed not to be included in this Agreement but without invalidating any of the remaining provisions of this Agreement. The Parties shall then use all reasonable endeavors to replace the invalid or unenforceable provisions by a valid and enforceable substitute provision the effect of which is as close as possible to the intended effect of the invalid or unenforceable provision.

3.13 The Counterparty agrees to waive any and all rights to annul this Agreement based on article 6:265 Dutch Civil Code, to exercise rights of suspension based on articles 6:52, 6:262 and 6:263 Dutch Civil Code and to rescind this Agreement based on the provision of article 6:228 Dutch Civil Code.
