SPECIAL CONDITIONS

ARTICLE I.1 – SUBJECT MATTER OF THE AGREEMENT

I.1.1 The NA has decided to award a grant, under the terms and conditions set out in the Special Conditions, the General Conditions and the other Annexes to the Agreement, for the Project entitled: **TaTaBooks – Talking Tactile Books for Visually Impaired Children, 2021-1-AT01-KA220-SCH-000024416** under the Erasmus+ Programme, Key Action 2: Partnerships for Cooperation, as described in Annex II.

I.1.2 By signing the Agreement, the beneficiaries accept the grant and agree to implement the Project, acting on their own responsibility.

ARTICLE I.2 – ENTRY INTO FORCE AND IMPLEMENTATION PERIOD OF THE AGREEMENT

I.2.1 The Agreement enters into force on the date on which the last party signs it.

I.2.2 The Project runs for **24 months**, from 01.11.2021 to 31.10.2023.

I.2.3 Duty to keep documents: The beneficiary must keep all original documents, especially accounting and tax records, stored on any appropriate medium, including digitalised originals when they are authorised by their respective national law and under the conditions laid down therein, during a period of ten years starting from the date of payment of the balance.

The period is longer if there are ongoing audits, appeals, litigation or pursuit of claims concerning the grant. In such cases, the beneficiary must keep the documents until such audits, appeals, litigation or pursuit of claims have been closed.

ARTICLE I.3 – MAXIMUM AMOUNT AND FORM OF THE GRANT

I.3.1 The maximum amount of the grant is **EUR 307.163,60**. This amount consists of funds of the European Union and the Republic of Austria.

I.3.2 With regards to the estimated budget specified in Annex II and with the eligible costs and the financial rules specified in Annex III, the grant takes the form of:

a) the reimbursement of the eligible costs of the action ('reimbursement of eligible costs') which are:

- (i) actually incurred
- (ii) declared on the basis of unit costs

- (iii) reimbursement of costs declared on the basis of lump sum

ARTICLE I.4 – REPORTING AND PAYMENT ARRANGEMENTS

The following reporting and payment provisions shall apply:

I.4.1 Payments to be made

The NA must make the following payments to the coordinator:

- a first pre-financing payment;
- one payment of the balance, on the basis of the request for payment of the balance referred to in Article I.4.4.

I.4.2 First pre-financing payment

The aim of the pre-financing is to provide the beneficiaries with a float. The pre-financing remains the property of the NA until the payment of the balance.

The NA must make the pre-financing payment to the coordinator within 30 calendar days following the entry into force of the Agreement corresponding to 80% of the maximum grant amount specified in Article I.3.1, except if Article II.24 applies.

I.4.3 Interim reports and further pre-financing payments

By 30.11.2022 the coordinator must complete a progress report on the implementation of the Project, covering the reporting period from the beginning of the implementation of the Project specified in Article I.2.2 to 31.10.2022.

I.4.4 Final report and request for payment of the balance

Within 60 calendar days after the end date of the Project specified in Article I.2.2, the coordinator must complete a final report on the implementation of the Project, and, when applicable, upload all project results in the Erasmus+ Project Results Platform as specified in article I.11.2. The report must contain the information needed to justify the contribution requested on the basis of unit contributions where the grant takes the form of the reimbursement of unit contribution, lump sum or the eligible costs actually incurred in accordance with Annex III.

The final report is considered as the coordinator's request for payment of the balance of the grant.

The coordinator must certify that the information provided in the request for payment of the balance is full, reliable and true. It must also certify that the costs incurred can be considered eligible in accordance with the Agreement and that the request for payment is substantiated by adequate supporting documents that can be produced in the context of the checks or audits described in Article II.27.

1.4.5 Payment of the balance

The payment of the balance reimburses or covers the remaining part of the eligible costs incurred by the beneficiaries for the implementation of the project.

The NA determines the amount due as the balance by deducting the total amount of pre-financing and interim payments (if any) already made from the final amount of the grant determined in accordance with Article II.25.

If the total amount of earlier payments is greater than the final amount of the grant determined in accordance with Article II.25, the payment of the balance takes the form of a recovery as provided for by Article II.26.

If the total amount of earlier payments is lower than the final amount of the grant determined in accordance with Article II.25, the NA must pay the balance within 60 calendar days from when it receives the documents referred to in Article I.4.4, except if Article II.24.1 or II.24.2 apply.

Payment is subject to the approval of the request for payment of the balance and of the accompanying documents. Their approval does not imply recognition of the compliance, authenticity, completeness or correctness of their content.

The amount to be paid may, however, be offset, without the coordinator's consent, against any other amount owed by the coordinator to the NA, up to the maximum contribution indicated for that coordinator, in the estimated budget in Annex II.

1.4.6 Notification of amounts due

The NA must send a *formal notification* to the coordinator:

- (a) informing it of the amount due; and
- (b) specifying whether the notification concerns a further pre-financing payment or the payment of the balance.

For the payment of the balance, the NA must also specify the final amount of the grant determined in accordance with Article II.25.

1.4.7 Payments from the NA to the coordinator and interest on late payment

The NA must make payments to the coordinator.

If the NA does not pay within the time limits for payment, the beneficiary is entitled to late-payment interest at the rate applied by the European Central Bank for its main refinancing operations in Euro ('the reference rate'), plus three and a half points. The reference rate is the rate in force on the first day of the month in which the time limit for payment expires, as published in the C series of the *Official Journal of the European Union*.

Late-payment interest is not due if the beneficiary is a Member State of the Union (including regional and local government authorities and other public bodies acting in the name of and on behalf of the Member State for the purpose of the Agreement).

If the NA suspends the time limit for payment as provided for in Article II.24.2 or if it suspends an actual payment as provided for in Article II.24.1, these actions cannot be considered as cases of late payment.

Late-payment interest covers the period running from the day following the due date for payment, up to and including the date of actual payment as established in Article I.4.12. The NA does not consider payable interest when determining the final amount of grant within the meaning of Article II.25.

As an exception to the first subparagraph, if the calculated interest is lower than or equal to Euro 200, it must be paid to the beneficiary only if the beneficiary requests it within two months of receiving late payment.

1.4.8 Payments from the coordinator to the other beneficiaries

The coordinator must make all payments to the other beneficiaries by bank transfer and keep appropriate evidence of the amounts transferred to each beneficiary for any checks and audits as referred to in Article II.27.

1.4.9 Currency for payments

The NA must make payments in Euro.

1.4.10 Currency for requests for payments and conversion into euro

Request for payment must be drafted in Euro.

The beneficiary with general accounts in a currency other than the Euro must convert costs incurred in another currency into Euro at the average of the daily exchange rates published

in the C series of the Official Journal of the European Union, determined over the corresponding reporting period (available at <http://www.ecb.europa.eu/stats/exchange/eurofxref/html/index.en.html>).

If no daily Euro exchange rate is published in the Official Journal of the European Union for the currency in question, conversion must be made at the average of the monthly accounting rates established by the Commission and published on its website (http://ec.europa.eu/budget/contracts_grants/info_contracts/inforeuro/inforeuro_en.cfm), determined over the corresponding reporting period.

The beneficiary with general accounts in Euro must convert costs incurred in another currency into Euro in accordance with their usual accounting practices.

1.4.11 Language of requests for payments and reports

All requests for payments and reports must be submitted in German or English.

1.4.12 Date of payment

Payments by the NA are considered to have been carried out on the date when they are debited to its account unless the national law provides otherwise.
