We have the pleasure to order following items. Drawings and other specifications mentioned below, as well as any potential existing contracts, are part of this order. Without contrary written notification, signed by HASLERRAIL, our General Conditions of Purchasing, version C00, 01.01.2021, available on the Internet at [www.haslerrail.com](http://www.haslerrail.com) are applicable. These Conditions are an integral component of this order.

No material-, process- or any other changes can be made to the product without written approval from HASLERRAIL.

Orders transmitted by fax or e-mail are considered originals.

With the acceptance of our purchase order you confirm that your products are compliant with the European Regulation 1907/2006 (REACH), based on the current list of SVHC and the RoHS Directive 2011/65/EU. If there are any non-compliant parts, this should be clearly stated in the order confirmation and with the delivery.

For each delivery you need to attach the Inspection Certificate 3.1 or Test Report 2.2 in accordance with the standard EN 10204:2004.

The lack of this certification will be considered as a "Non Conformity".

Please pay attention to the compliance of your delivery to avoid additional costs for both sides.
