AMIRES

1. Objective

This offer has been prepared in reaction to the email inquiry from CATRIN. This offer summarizes the availability and willingness of AMIRES to support CATRIN in preparation of a project proposal for a call "HORIZON-WIDERA-2022-TALENTS-01-01: ERA Chairs".

The AMIRES company is under motto "Experienced professionals provide support in strategically oriented innovations for business impact" ready to offer services which are necessary for initiating, planning and submission of successful Horizon Europe project and its seamless execution and management during its course.

In this offer AMIRES services based on CATRIN demand are presented followed by the financial requirements and final summary.

2. Services offered, consulting fee

With regards to our capacity for spring Horizon Europe calls, we would like to offer following model for cooperation for the proposal submission.

Expert package – covering following activities incl. timeline:

- Introductory discussion to the overall concept, setting up timeline, need for additional inputs (end of January 2022)
- Three rounds of comments
 - Idea, concept, relation to the call, proposal structure (mid February 2022)
 - Excellence, Impact parts (end February 2022)
 - Implementation, budget, overall soundness of the proposal, tricks for the submission (first week March 2022)
- Ad hoc phone consultation to questions arising during the application process
- Active support during the application process including the work with the FTOP (Funding and Tenders Opportunity Portal) incl. proposal submission by 15/3/2022

The overall consultancy process will be led by a consultant with experience with successful proposal submission in Widening topic with the support of a junior analyst.

Consulting fee: The fee for this type of consultancy is calculated as a fixed fee of €6.000 without VAT. The above fee covers all the expenses of AMIRES.

3. Summary

Proposed offer of AMIRES consultancy services is based on long term experience of its team with EU funding opportunities, FP7 / H2020 / Horizon Europe project preparation and management. The AMIRES team knowledge and experience offers unique set of services that could help CATRIN to prepare a competitive proposal in the ERA Chairs topic.

The team is ready to proceed with the contractual preparations and provide support to the coordinator starting from January 26th, 2022.

The AMIRES services offer is valid till April 15th, 2022.
