4. Each PP is to notify to the LP on its national controllers that, in accordance with the system set up by each Member State, shall carry out the verification of the expenditure of the PP.

National controllers are identified in the supplementary information section of the programme electronic monitoring system.

5. Any change of control authority/institution or name of controller(s) shall be duly notified to the LP who has subsequently to notify the MA via the JS.

§ 11

9. The MA on behalf of the MC and of other programme promoters at national level is entitled to use the outputs of the project in order to guarantee a wide spreading of the project deliverables and outputs and to make them available to the public. All PPs agree that the outputs are forwarded by the MA to other programme authorities as well as the Member States taking part in the programme to use this material to showcase how the subsidy is used. For the purpose of meeting the objectives as set out in § 9.1 of this agreement, each PP shall provide evidence of the deliverables and outputs produced as further specified in the implementation manual.
10. Any communication campaign, media appearance or other publicity of the project shall be communicated to the MA/JS for potential website updates or showcases.

§ 13

Assignment, legal succession

1. PPs in exceptional cases and in well-founded circumstances are allowed to assign their duties and rights under this agreement only after prior written consent of the programme bodies and in compliance with the procedure specified in the programme implementation manual.
2. Where according to national laws the legal personality does not change and where all assets of a PP are taken over so that a deterioration of the financial capacity of the acquiring institution is not to be expected (i.e. in cases of universal succession) prior consent by the programme bodies is not necessary. However, the concerned PP shall submit in due time to the MA/JS via the LP related information together with all documents that are necessary to analyse the legal case. If the MA/JS comes to the conclusion the conditions as stated above are not fulfilled (e.g. in cases of a singular succession), the LP will be informed that a partner change procedure as stated in § 13.1 has to be initiated.
3. In case of assignment or any form of legal succession of any PP, the PP concerned is obliged to assign all rights and obligations and all project related documents to each and any assignee or legal successor. In the event of outsourcing, the PPs must obey community, national and programme rules on public procurement and shall remain the sole responsible parties towards the LP and, through the LP, to the MA concerning compliance with their obligations by virtue of the conditions set forth in this agreement including its annexes.
2. In case of financial involvement of associated partners, this must not enter in conflict with public procurement rules. Expenditure incurred by the associated partners shall be finally borne by any of the PPs or by the LP in order to be considered as eligible and on condition that this is allowed by national or programme rules.

§ 15

Liability

1. According to § 10 of the subsidy contract, the LP bears the overall financial and legal responsibility for the project and for the PPs towards the MA and third parties.
2. Within the partnership, each party to this agreement shall be liable to the other parties and shall indemnify and hold harmless such other party for and against any liabilities, damages and costs resulting from the non-compliance of its duties and obligations as set forth in this

3. The LP shall assume sole liability towards third parties, including liability for damage or injury of any kind sustained by them while the project is being carried out as stipulated in § 10.11 of the subsidy contract. The LP is entitled to subrogate against the PP that caused the damage. The PP causing damage shall be liable to the LP therefore.
 4. The parties to this agreement accept that the MA cannot be under any circumstances or for any reason whatsoever held liable for damage or injury sustained by the staff or property of the LP or any PP while the project is being carried out. No claims can be accepted by the MA for compensation or increases in payment in connection with such damage or injury.
 5. No party shall be held liable for not complying with obligations ensuing from this agreement in case of force majeure as described in § 24 of this agreement.

§ 16

Non-fulfilment of obligations

1. Each PP is obliged to promptly inform the LP and provide all necessary details should there be events that could jeopardise the implementation of the project.
2. Each PP is directly and exclusively responsible towards the LP and the other PPs for the due implementation of its part(s) to the project as described in the approved application form as well as for the proper fulfilment of its obligations as set out in this agreement. Should a PP not fulfil its obligations under this agreement in due time, the LP shall admonish the PP to fulfil such obligations within reasonable deadlines set by the LP. The LP shall make any effort in resolving the difficulties, including seeking the assistance of the MA/JS. Should the non-fulfilment continue, the LP may decide to exclude the PP concerned from the project prior approval of the other PPs. The MA and JS shall be immediately informed of such an intended decision.
3. The excluded PP is obliged to refund to the LP any programme funds received for which it cannot prove that, on the day of exclusion, ERDF received for the project was used for activities carried out, and deliverables/outputs obtained, for the benefit of the project and that such activities and deliverables/outputs can be used for the further implementation of the project. The excluded PP is liable to compensate any damage to the LP and the remaining PPs due to its exclusion.
4. The excluded PP has to keep documents for audit purposes according to what stated in § 6.3 of this agreement.
5. The LP and all PPs herewith oblige themselves to compensate each other for those damages that may result from intentional or gross negligence, non-performance or mal-performance of any of their obligations under the present agreement.
6. In case of non-fulfilment of PP obligations having financial consequences for the funding of the project as a whole, the LP may demand compensation from the responsible PP to cover the sum involved.

§ 17

Financial controls, audits

1. The European Commission, the European Anti-Fraud Office (OLAF), the European Court of Auditors (ECA) and, within their responsibility, the auditing bodies of the participating EU Member States or other national public auditing bodies as well as the Programme Audit Authority, the MA and the JS are entitled to audit the proper use of funds by the LP or by its PPs or to arrange for such an audit to be carried out by authorised persons. The LP and PPs will be notified in due time about any audit to be carried out on their expenditure.
2. Each PP undertakes all the necessary actions to comply with the fundamental requirements indicated in this agreement, the subsidy contract, the applicable laws and programme documents (application and implementation manuals), which are an integral part of this agreement, to provide for comprehensive documentation on compliance with those norms and the accessibility to this documentation in line with § 6.4.
Besides the obligations with regard to reporting and information each PP particularly:
 - a. Keeps all documents and data required for controls and audits safely and orderly;
 - b. Makes all necessary arrangements to ensure that any audit, notified by a duly authorised institution as indicated in § 17.1 can be carried out smoothly; and
 - c. Provides any requested information to these institutions about the project and gives access to their business premises, provides and gives access to all the information and documents supporting the audit trail as requested in the European Structural and Investment Funds Regulations, delegated and implementing acts and the programme implementation manual.
3. Each PP shall promptly inform the LP about any audits that have been carried out by the bodies mentioned in § 17.1 of this agreement.
4. If, as a result of the controls and audits any expenditure is considered non eligible according to the regulatory framework as in § 1 of the subsidy contract, the procedure described in § 18 and 9.9 of this agreement shall apply.

§ 18

Withdrawal or recovery of unduly paid-out funds, decommitment of funds

1. Should the MA in accordance with the provisions of the subsidy contract, the implementation manual and § 9.9 of this agreement, demand the repayment of subsidy already transferred to the LP, every PP is obliged to transfer its portion of undue paid out amount to the LP in compliance with Article 27(2) of Regulation (EU) No 1299/2013. The LP shall, without delay, forward the letter by which the MA has asserted the repayment claim and notify every PP of the amount repayable. Alternatively and when possible, the repayment amount will be offset against the next payment of the MA to the LP or, where applicable, remaining payments can be suspended. In case repayment is deemed as

- necessary, this repayment is due within one month following the date of the letter by which the MA asserts the repayment claim to the LP. The LP shall be entitled to set an internal deadline to the concerned PPs in order to meet the MA requests. The amount repayable shall be subject to interest according to § 13.3 of the subsidy contract. Further provisions of the subsidy contract shall apply by analogy.
2. In case the PP does not repay the LP the irregular amounts by the deadline specified in the recovery letter, the LP informs the MA without delay. In duly justified cases, the MA informs the Member State, on whose territory the PP concerned is located in order to recover the unduly paid amounts from this Member State. Therefore, the respective Member State is entitled to claim the unduly paid funds that have been reimbursed to the MA from the PP.
 3. In case that no PP can be held responsible for the request for repayment, the amount to be repaid shall be apportioned between all PPs pro rata to their project budget share.
 4. Bank charges incurred by the repayment of amounts due to the MA via the LP shall be borne entirely by the concerned PPs.
 5. If decommitment of funds apply in compliance with § 9.7 and provisions of the programme implementation manual, the PPs herewith agree that the deduction shall be imputed to those PPs that have contributed to the decommitment of funds unless a different decision is taken by the MC. Deduction of funds shall be done in a way not to jeopardise future involvement of PPs and implementation of activities.

§ 19

Ownership - Use of outputs

2. Where several members of the partnership (LP and/or PPs) have jointly carried out work generating outputs and where their respective share of the work cannot be ascertained, they shall have joint ownership on it/them.
3. In case of joint ownership, the following provisions shall apply:

The owner of the project outputs, which have not character of investments in infrastructure or productive investments and are jointly developed, will be all project partners. The outputs shall remain in the custody of all MOVECIT project partners after the finalization of the project.

4. The ownership of outputs having the character of investments in infrastructure or productive investments realised within the project must remain with the concerned LP and/or PPs according to the timeframe as well as under the conditions set in Article 71 of Regulation (EU) No 1303/2013. Should any of the conditions set by the mentioned Regulation
