Agreement with CESKA TELEVIZE

Re: [REDACTED]

The "License Period" is commencing on the License Period Start Date ("LPSD") and ending on the LPED for each respective Picture as set forth in Exhibit "A" attached hereto, provided that if the last Telecast of any Picture licensed under the Agreement occurs earlier than the expiry of the corresponding LPED, then the License Period of such Picture shall terminate immediately following such last Telecast.

[REDACTED]

Upon request, Distributor will advise Licensor of the playdate of the first and the last Telecast of the/each Picture in the Territory at the latest thirty (30) days prior to the respective Picture's Telecast.

5.- **LANGUAGE:** The term "Authorized Language Version" refers to the original version of each respective Picture which Distributor is entitled to exploit in the following languages for the Territory and Licensed Rights specified: [REDACTED]

For the avoidance of doubt Distributor shall not be entitled to exploit the original version without dubbing or subtitles.

[REDACTED]

The soundtrack on any subtitled version shall be in the original language version of the Picture.

When exploiting the Licensed Rights to the Pictures, Distributor may use at its discretion any pre-existing acceptable Czech language version to the Picture(s), provided that such version is approved and available for license by Licensor. For the avoidance of doubt, it is hereby stipulated that when giving access to the materials of one Picture by corresponding laboratory access letter, Licensor will also give access to pre-existing Czech language version to such Picture (if any) without any additional costs to Distributor, unless the access letter expressly states otherwise. In the event access to the existing Czech language version enshrines additional costs for Licensor, Distributor will be

entitled to negotiate the terms and conditions of such version in a separate agreement between the Distributor and the holder of rights to such Czech language version, as between Distributor and such right holder.

**6.- LICENSED RIGHTS:** A Right is licensed to Distributor only if expressly so designated by mark in the "Yes" box (collectively the "Licensed Rights"). Any Right not marked or marked in the "No" box is a "Reserved Right" (including but not limited to Cinematic Rights, Ancillary Rights, Video Rights, On Demand Rights (including TVOD, EST, SVOD and FVOD Rights), Merchandising Rights, commercial tie-in rights, subsequent production rights (such as without limitation Remake, Prequel, Sequel Rights, spin-off, TV series or any other version of the Picture), Publishing Rights, music publishing, soundtrack album, videogame, novelization, live stage, radio adaptation, theme park rights, the rights to sell any clip or footage from the Picture and (i.e. other than directly related to the promotion of the Picture)) and all rights to create and/or commercialize any so called "metaverse" and "NFTs" (Non-Fungible Tokens), or the like, directly or indirectly pertaining to the Picture, of Licensor. For the avoidance of doubt, Licensor reserves the exclusive right to monetize any elements of the Picture (such as trailers and clips/excerpts) on You Tube, Dailymotion or other similar services on a worldwide basis.

**6.1 Rights Description:**

**6.1.1. Television (TV) Rights:**

Agreement with CESKA TELEVIZE

Re: [REDACTED]

**6.1.2. Permitted Means of distribution:** Any method or process of transmission, currently existing or hereafter devised, whether via an analogue or digital signal, in any delivery mode whether linear (for broadcasting, streaming) or non-linear (for Catch-Up TV Use only), in any broadcasting standards of the Territory including, but not limited to, DVB-S, DVB-T, DVB-H, DVB-C, IPTV, ETTx, FTTx, xDSL, regardless of the networks used for transmission, whether broadcasting networks, telecommunications networks (both wired or wireless/mobile) or Internet network, through any method of terminal receiver connection (including, but not limited to DTH or collective installation), available across any Receiving Device.

**6.1.3. Receiving Device:** Any machine or device (with or without a memory storage, i.e. HDD) capable of receiving and displaying content (including, but not limited to TV, set-top boxes and other monitors, personal computers, handheld devices, portable media players, media center, game consoles and telephones (whether fixed-line or wireless or both)).

**6.2 Exploitation via the Internet and/or for reception on any Computer or Mobile Devices of Television Rights:** Notwithstanding any relevant definitions of the attached Schedule of Definitions and/or provisions of the Standard Terms, Distributor may not exploit via the Internet (or any comparable interconnective computer network open to the general public) and/or on any Computer or Mobile Device (to the extent either or both controlled by Licensor) the Television, unless and until:

(a) The viewing of the Picture is for Internet simulcast and Catch-up TV Use ; and

(b) The viewing shall be either in the Authorized Language dubbed Version, or in Authorized Language subtitled Version provided that subtitles are "burnt-in" and that there is no existing dubbed version; and

(c) Technology to be used is accepted in the industry as adequate to verifiably confine to recipients located solely in the Territory (geo-filtering techniques), and Distributor is able to differentiate for access to such transmissions of the Picture viewers within the Territory (with an IP address located within the Territory, or any identification data which guarantees location of the viewer within the Territory), from viewers outside the Territory, and to grant access to the transmissions of the Picture exclusively to legitimate, authorized and authenticated viewers; and

Re: [REDACTED]

(d) Anti-piracy technology (including DRM) generally recognized in the motion picture industry is available and employed, which limits the ability of users or viewers to access or receive the Picture on a geographic basis within the Territory and which is adequate to prevent the unauthorized dissemination, reproduction, copying, retransmission and alteration or other similar acts of piracy of the Picture by the recipient; and

(e) it shall not be possible for the recipients to re-route or retransmit the Picture by any means, whether inside or outside the Territory.

Distributor expressly acknowledges and accepts that the foregoing conditions precedent must be satisfied (with written assurance provided to Licensor upon Licensor's request) prior to its exploitation of the Licensed Rights via the Internet and/or on any Computer or Mobile Device, and shall not expose Licensor to potential legal prosecution.

Nothing in the foregoing shall in any way preclude Distributor from utilizing, or authorizing the use of, excerpts from the Picture (not to exceed 3 (three) minutes in length) or the trailer of the Picture to promote and market the availability of the Picture on the Authorized Channels on the Internet and/or on any Mobile Device, prior to the Telecast of the Picture in the Territory.

Notwithstanding the foregoing, the restrictions set forth herein shall only apply to the extent they are consistent with the EU Portability Regulation (i.e. Regulation (EU) No. 2017/1128 of the European Parliament and of the Council of June 14, 2017 on cross-border portability of online content services in the internal market) allowing users or viewers to access the Picture on any Computer or Mobile Device while traveling on a temporary basis outside the Territory but within the European Union to the extent mandated by applicable law.

**6.3 Anti-Piracy Measures:** In addition to the provisions specified in Article 13 of the Standard Terms, Distributor and any of its authorized sublicensees/subdistributors shall implement, establish and employ all customary measures and procedures of protection and security to prevent acts of piracy of the Picture in the Territory, including but not limited to the measures provided for in attached Exhibit "G" which Distributor shall return to Licensor duly signed by Distributor and all laboratories involved in the exploitation of the Picture in the Territory. Distributor shall be entitled to take anti-piracy measures within the Territory in its own name and/or in the name of Licensor but subject always to prior consultation with Licensor if Distributor intends to take legal action against any individuals or websites (as opposed to host sites). Notwithstanding the foregoing, it is agreed and understood that Distributor and any of its authorized sublicensees/subdistributors shall not implement any fingerprint or watermark on YouTube, Dailymotion or any similar service in connection with the Picture or any element of the Picture.

**7.- LICENSE FEE:** Distributor shall irrevocably pay to Licensor an amount equal to seven hundred twenty-four seven hundred Euros NET\* (€724,700 NET\*) (the "License Fee") for all Pictures payable as follows:

Re: [REDACTED]

[REDACTED]

License Fee per Picture is set forth in attached Exhibit A entitled "Pictures".

[REDACTED]

\*NET: The License Fee is a minimum net sum and no taxes (except the applicable withholding tax if reduction/exemption is possible pursuant to applicable tax treaty), nor charges may be deducted from it.

As a material condition to this Agreement, Distributor acknowledges that all payments due to Licensor under this Article 8 will be made by wire transfer of immediately available unencumbered and unconditional funds, free of any transmission charges, to the account set forth in Exhibit "C". Failure of Distributor to comply with the foregoing shall constitute a material breach of this Agreement by Distributor, and upon notice thereof from Licensor to Distributor, this Agreement shall terminate effective retroactively to the date of commencement or execution hereof, whichever is earlier. Licensor shall have no obligation to furnish any material or item if said wire transfer has not been made in a manner fully satisfactory to Licensor.

Licensor and Distributor agree to prepare, execute and certify the annual application for reduction/exemption withholding tax pursuant to the applicable tax treaty (if any).

Licensor acknowledges to be the beneficial owner of the License Fee.

Timely payment is conditioned upon receipt of the valid confirmation of French residency of Licensor issued by the appropriate Tax Authority of France unless such valid confirmation has already been provided to Licensee during the applicable year.

Licensor agrees that if applicable Licensee may deduct the withholding tax pursuant to applicable tax treaty in accordance to which the Licensee shall provide the Licensor with the relevant tax certificate as soon as is received.

It is hereby agreed that should Licensor choose to deliver invoices by means of electronic mail, Licensor shall be obliged to send PDF format invoices using his e-mail address to the e-mail address of Licensee: [faktury@ceskatelevize.cz](mailto:faktury@ceskatelevize.cz). The invoice shall be considered as delivered at the moment of its delivery to the e-mail address of the Licensee.

**8.- APPROVAL RIGHTS:** All subleases and sublicenses by Distributor are subject to Licensor's prior written approval.

Re: [REDACTED]

**9.- DELIVERY:** 9.1 Delivery of the Materials shall be made in accordance with the Delivery Schedule attached hereto as Exhibit "D" and Article 8 of the Standard Terms. Delivery costs shall be at Distributor's charge.

**9.2 Access to Distributor's Created Materials:**

Notwithstanding anything to the contrary contained in the Clause 8.4. of Standard Terms, Licensor will have a free access to all materials created by Distributor (including but not limited to promotional materials, bonuses...), except to Authorized Language Version which will be available [REDACTED]

[REDACTED] Upon Licensor's request, Distributor shall deliver or provide Licensor with an immediate and unrestricted access to such dubbed and/or voice-overed and/or subtitled tracks created by the Distributor pursuant to this Agreement, provided the Distributor has received the access fee payment as mentioned above.

Following the end of the Term, Distributor will be entitled to keep its own created Authorized Language version to the Picture (if any) and to use such version, at no further costs, in the context of any other license to the Picture(s) as may be concluded between Licensor and Distributor in the future. For the avoidance of doubt, Distributor shall not be entitled to keep and use such created Authorized Language version to the Picture(s) whatsoever for any other purposes (including licensing such version to the Picture to a third party, unless agreed in writing between Licensor and Distributor).

**10.- SEVERABILITY:** If any term or other provision of this Agreement (or part of any provision) is found by any court or other authority of competent jurisdiction to be invalid, illegal or incapable of being enforced by any law or public policy, that provision or part provision shall, to the extent required, be deemed not to form part of this Agreement, and all other terms and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any Party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the Parties shall undertake to modify this Agreement in an acceptable manner.

**11.- SPECIAL TERMS:** Subject matter as well as price, or value, on the front page of this Agreement has no normative meaning; it has been conducted solely for the purpose of potential publishing of this Agreement in the Czech Registry of Agreements.

This Agreement comes into force upon its signature by both contracting Parties. Any signature (including any electronic symbol or process attached to this Agreement and adopted by Licensor and Distributor with the intent to sign, authenticate or accept this Agreement) hereto shall have the same legal validity and enforceability as a manually executed signature to the fullest extent permitted by applicable law, including Article 1367 of the Civil Code and/or Regulation (EU) No. 910/2014 of the European Parliament and of the Council of July 23, 2014 on electronic identification and trust services for electronic transactions in the internal market, and the Parties hereby waive any objection to the contrary. Licensor and Distributor expressly undertake not to contest its admissibility, enforceability or probative value on the basis of its electronic nature. In addition, this Agreement shall be executed in three counterparts, each valid as an original, of which the Distributor shall receive two counterparts and the Licensor shall receive one counterpart. The Licensor undertakes to send (i.e. to submit to the courier/mail service) signed Distributor's counterparts as soon as possible.

**Confidentiality:** The Parties agree that the content of this Agreement, as well as any information that may have come to either Party's attention during the process of negotiation preceding the execution of this Agreement and/or its fulfillment, is considered to be confidential and neither contracting Party shall be authorized to disclose to any third party such information without the prior written consent of the other Party. This prohibition remains in effect after the performance of the Agreement is completed or terminated except when: (i) an information came to the Party's attention independently of the other contracting Party; (ii) Distributor provides to third parties

Re: [REDACTED]

**STANDARD TERMS**

**1.- LICENSED RIGHTS AND RESERVED RIGHTS**

**1.1- Grant:** Subject to the terms of this Agreement, Licensor exclusively licenses to Distributor only the specific Licensed Rights in the Picture during the Term throughout the Territory as set forth in the Deal Terms. The Picture is only licensed in linear form for viewing from beginning to end. In exercising any Licensed Right, Distributor may only exploit the Picture: (i) for reception on the Receiving Devices via the Permitted Distribution Systems (ii) in the Authorized Language(s) Version in a dubbed and/or subtitled version as specified in the Deal Terms; (iii) by means of the authorized Format(s) specified in the Deal Terms; (iv) for the authorized Telecast(s) or Playdate(s) specified in the Deal Terms. All Rights not expressly licensed to Distributor are Reserved Rights, even if not expressly checked in the Deal Terms. The extent of each of the Licensed Rights and Reserved Rights is defined in the attached Schedule of Definitions. Notwithstanding anything to the contrary set forth herein, the Licensed Rights shall not vest in Distributor, unless and until Distributor has paid the full amount of the License Fee to Licensor as and when requested hereunder. However, until then, Distributor shall be solely responsible of any damage which would occur to the materials delivered by Licensor.

**1.2- Terminology:** The inclusion of provisions in this Agreement for any Rights not specifically licensed to Distributor in the Deal Terms is for ease of drafting only. Their inclusion does not grant to Distributor explicitly or by implication any Rights not specifically licensed in the Deal Terms.

**1.3- Reservation:** Licensor reserves all the specific Reserved Rights in the Deal Terms and all other rights in the Picture not expressly licensed to Distributor. Licensor may exploit them as Licensor sees fit without restriction, except as otherwise expressly provided in this Agreement.

**2.- ADVERTISING AND BILLING**

**2.1- Licensor's Requirements:** Licensor will timely provide Distributor or make available through Studiocanal's extranet with a list of all required screen credits (if not already contained in the Picture), paid advertising, publicity and promotional requirements, name & likeness restrictions, requirements for use of any trademark or logo. Distributor will comply with all of these requirements at all times after their receipt. Upon Licensor's request Distributor will promptly submit to Licensor all advertising materials used by Distributor so that Licensor can determine whether these requirements are being met.

**2.2- Distributor's Rights:** Subject to Licensor's requirements and the provisions of this Agreement, Distributor will have the non-exclusive right at its sole expense to: (i) advertise, publicize, and promote the broadcast of the Picture and/or Distributor's broadcasting on the Authorized Channel(s) and by any media in the Territory only subject to no further consideration. Distributor shall have the right to use excerpts of the Picture for advertising purposes of the broadcast of the Picture on the Authorized Channel(s) provided that no such excerpts shall exceed three (3) minutes in length; (ii) include in all such advertising, promotion or publicity the name, voice, and likeness of any person who has rendered services on the Picture but not as an endorsement for any product or service other than the Picture. Licensor shall be authorized to include sponsorship messages before or after the Program in conformity with the applicable laws of the Territory, provided that Distributor (i) ensure that neither the Pictures nor any of their elements are associated with such sponsorship messages in such a manner as to constitute direct endorsement or sponsorship of any brand, company or product; and (iii) ensure that no advertising interferes with the Pictures in a way not consistent with French droit moral

**2.3- Limitations:** In exercising these rights Distributor may not: (i) change the title of the Picture without Licensor's prior written approval; (ii) alter or delete any credit, logo, copyright notice or trademark notice appearing on the Picture; (iii) include any advertisements or other material in the Picture an approved anti-piracy warning as provided in article 13 or commercials for a Picture exploited on Free TV as provided in paragraph 9.4., (iv) use the music contained in the Picture out of context and/or desynchronized.

**2.4- Liability:** Failure to comply with the provisions of this paragraph 2 may subject Distributor to liability to Licensor or to liability to third parties due to agreements concerning credits between Licensor and such third parties.

**3.- DUBBING, SUBTITLING AND EDITING**

**3.1- Licensor's Requirements:** Licensor will timely provide Distributor with any dubbing, subtitling or editing requirements applicable to the Picture if necessary. Distributor will comply with all these requirements in creating an authorized dubbed, subtitled or edited version of the Picture. Except as expressly provided in this Agreement, the Picture as supplied by Licensor will be exhibited in their original continuity, without alteration, interpolation, cut or elimination.

**3.2- Distributor's Rights:** Subject to Licensor's requirements and the provisions of this Agreement, Distributor will have the non-exclusive right at its sole expense and after consultation with Licensor to: (i) dub the Picture but only in the Authorized Language(s) Version and only if expressly so authorized in the Deal Terms; (ii) subtitle the Picture but only in the Authorized Language(s) Version and only if expressly so authorized in the Deal Terms. Any other cutting, editing, and modification of any kind of the Picture will require Licensor's prior written approval, including (but not limited to) to meet censorship requirements (and then only in accordance with Licensor's standard censorship rider).

Re: [REDACTED]

**3.3- Limitations:** In exercising these rights, Distributor may not: (i) alter or delete any credit, logo, copyright notice or trademark notice appearing on any Picture; (ii) include any advertisements or other material in any Picture other than an approved anti-piracy warning as provided in article 13 or commercials for a Picture exploited on Free TV as provided in paragraph 9.4.

**3.4- Liability:** Failure to comply with the provisions of this article 3 may subject Distributor to liability to Licensor or to liability to third parties due to agreements concerning dubbing, subtitling or editing between Licensor and such third parties.

#### **4.- TERRITORY**

**4.1- General:** The Territory means only the countries listed in the Deal Terms but only as their political borders exist on the date of this Agreement. The Territory excludes foreign countries' embassies, military and governmental installations, oil rigs and marine installations, airlines-in-flight and ships-at-sea located within the Territory.

**4.2- Exclusion:** In exploiting the Free TV, Pay TV, PPV or NVO D Licensed Rights, the Territory also excludes the countries' non-contiguous territories and possessions as well as military and governmental installations, oil rigs and other marine installations, and embassies flying the flag of any country in the Territory.

**4.3- Overspill:** Notwithstanding anything to the contrary, Licensor acknowledges that where the Picture is transmitted by satellite for reception in the Territory, such transmissions may extend beyond the Territory due to inherent capability of satellites to beam down signals which are not confined to territorial boundaries and when the Picture is transmitted through the Internet or similar on-line network for Broadcast and/or reception in the Territory, there is a possibility that such transmission may be capable of Broadcast and/or reception outside of the Territory ("Overspill"). Licensor agrees that any temporary or inadvertent Overspill shall not constitute a breach of this Agreement provided that (i) the transmission of a Picture by satellite is securely encrypted so that reception outside the Territory other than by means of an authorized decoding card or equivalent equipment is precluded and technology safeguards and effective state-of-the-art Industry standard digital rights management ("DRM") to prevent unauthorized Broadcast, copying or retransmission of the Picture consistent with article 6.2 of the Deal Terms are in place, (ii) such Overspill is the result of (a) unanticipated and inadvertent failure of the appropriate and required security measures or (b) the ability of a limited number of technologically advanced individuals (i.e. "hackers") to circumvent the applicable security, copy protection and Geo-filtering technologies used and (ii) in each case, Distributor shall make its best efforts once such overspill and circumvention are discovered to cease or prevent such circumvention from resulting in further access by or exhibition to any unauthorized viewers. In any case, Distributor shall not seek viewers for the Picture outside the Territory nor permit the Picture to be available to viewers outside the Territory.

Likewise, Licensor does not grant exclusivity protection against any temporary or inadvertent Overspill in the Territory of a broadcast or Simultaneous Retransmission of the Picture originating outside the Territory, whether terrestrial, cable or satellite. Distributor acknowledges that any such Overspill shall not constitute a breach of this Agreement.

#### **5.- EXPLOITATION PERIODS**

**5.1- Term:** The "Term" for the Picture will start and end on the dates set forth in the Deal Terms except: (i) in case of any extension per article 11; (ii) in case of any early termination per articles 11 or 12. Distributor will not authorize any exploitation of any Licensed Right in the Picture after the Term.

**5.2- Distributor "Holdbacks":** Where the Deal Terms indicate a "Holdback" on any Licensed Right granted to Distributor, then during that Holdback period Distributor may not exercise or authorize the exercise in the Territory of that Licensed Right.

**5.3- Licensor "Holdbacks":** Where the Deal Terms indicate a "Holdback" on any of Licensor's Reserved Rights, then during that Holdback period Licensor may not exercise or authorize the exercise in the Territory of that Reserved Right. However, Licensor may enter into agreements at any time authorizing the exercise of such Reserved Right after the expiration of the Holdback period.

**6.- ROYALTY INCOME:** All amounts collected by any collecting society, authors' rights organization, performing rights society or governmental agency that are payable to authors, producers, performers or other Persons and that arise from royalties, compulsory licenses, income derived from secondary broadcast (simultaneous, unaltered and unabridged retransmission by a cable, microwave or telephone system for reception by the public of an initial transmission, by wire or over the air, including by satellite, of the Picture intended for reception by the public), tax rebates, exhibition surcharges, levies on blank Videograms or hardware, rental or lending royalties, or the like, will as between Licensor and Distributor be the sole property of Licensor. By way of illustration but not limitation, this will apply to such amounts arising from royalties collected by AGICOA or any similar organization from cable retransmissions of television programs, and from collections by music performing or mechanical rights societies. Licensor has the sole right to apply for and collect all these amounts. If any of them are paid to Distributor, then Distributor will immediately remit them to Licensor with an appropriate statement identifying the payment.

#### **7.- PAYMENT REQUIREMENTS**

**7.1- Timely Payment:** Distributor will make payments to Licensor in the manner and sequence specified in the Deal Terms. Timely payment is of the essence of this Agreement and is an express condition to Distributor's continued exercise of any Licensed Rights in the Picture. Payment will only be considered made when Licensor has immediate and unencumbered use of funds in the required currency in the full amount due. Distributor will use diligent efforts to timely obtain all governmental permits necessary to make all payments to Licensor.

Agreement with CESKA TELFVIZE

Re: [REDACTED]

**7.2- License Fee:** The "License Fee" is the sum payable to Licensor against Licensor's grant of Rights to the Picture as indicated in the Deal Terms. The License Fee is non-returnable. The License Fee stated in the Deal Terms is a minimum net sum and no taxes or charges of any sort may be deducted from it.

**7.3- Limitation On Deductions:** There will be no deductions from any payments due Licensor because of any bank charges, withholding taxes, conversion costs, sales use or VAT taxes, "contingents", quotas or any other taxes levies or charges unless separately agreed to in writing by Licensor. No remittance taxes of any sort may be deducted from the License Fee. If Distributor is legally required to pay any remittance taxes on any amounts due Licensor other than the License Fee, then Distributor will provide Licensor with all necessary documentation indicating Distributor's payment of the agreed amount on Licensor's behalf before deducting Distributor's payment from any sums due Licensor.

**7.4- Blocked Funds:** If it is legally impossible to transmit any monies due to Licensor, then Distributor will immediately so notify Licensor. Distributor will then deposit such monies in Licensor's name, but at Distributor's expense, in a suitable depository designated by Licensor.

**7.5- Finance Charge On Late Payments:** If Licensor does not receive any payment on the date it was due, then, in addition to any other right or remedy, Licensor may assess a finance charge on such late payment at the lesser of two (2) percentage points over the then current advertised prime rate on the date payment was due at Licensor's lead bank or the highest applicable legal contract rate. A finance charge, if made, will be retroactive to the date payment was due and will continue until payment in full.

**7.6- Exchange Provisions, Payment:** All payments to Licensor will be in United States Dollars or such other freely transmittable currency as Licensor may designate, which the parties agree may not be the currency of the Territory. All payments due Licensor will be computed at the prevailing exchange rate on the date due at a bank designated by Licensor promptly after execution of this Agreement, or, if no bank is designated, the official government rate in the country of the currency. The parties agree that the risk of devaluation of the United States Dollar or other currency selected by Licensor against the currency of the Territory will be Licensor's sole risk; and the risk of the devaluation of the currency of the Territory against the United States Dollar or other currency designated by Licensor will be Distributor's sole risk. For a late payment, Licensor will be entitled to the most favorable exchange rate between the due date and the payment date.

**7.7- Exchange Provisions:** Distributor will calculate the License Fee solely in the currency of the Territory. Where any such payments are not made in the currency of the Territory, they will be converted to the currency of the Territory using the exchange rate applicable on the date the License Fee was received by Licensor.

**7.8- Documentation:** Where, under the Laws of any country in the Territory, Distributor is required to make any registration or filing or to obtain any permits or clearances with respect to the exploitation of any Licensed Rights in the Picture, or to make any payments to Licensor, then, after first obtaining Licensor's written approval, Distributor will use all best efforts to do so promptly at its expense. Distributor will provide Licensor with copies of all documents indicating full compliance with such requirements.

## **8.- DELIVERY AND RETURN**

**8.1-** Licensor or its designee(s) will send Distributor an invoice setting forth the cost Ex Works 2010 for delivery of the approved Materials. After payment to Licensor of the cost set forth in said invoice, and subject to payment of any sums due by Distributor pursuant to the Deal Terms, Licensor shall deliver the Materials to Distributor ("Delivery") in accordance with the specifications of the Delivery Schedule as set forth in Exhibit "D". Delivery of advertising materials, accessories and trailer shall be strictly subject to their availability, and delivery of such materials shall not be deemed essential or a prerequisite to release of the Picture. In the event that Distributor shall fail to notify timely Licensor the Materials it requires, or having so notified Licensor, if Distributor fails to make timely payment of the cost thereof as provided hereinabove, Licensor shall have the right in its sole discretion and in addition to any other rights and remedies of Licensor, to determine the Materials and to deliver the Materials to its forwarding agent or to a common carrier for shipment to Distributor on a Cash On Delivery basis. Distributor's failure to take delivery of and make payment for said Materials in a timely fashion shall be deemed a material breach of this Agreement.

**8.2- Evaluation of Physical Materials:** All Materials will be considered technically satisfactory for the manufacture of first-class preprint and exploitation materials if Distributor does not notify Licensor otherwise within thirty (30) days after their Delivery. If Distributor so notifies Licensor, the Distributor will if Licensor elects immediately return to Licensor any Materials which Distributor claims are defective. If Distributor's notice is accurate, then Licensor will, at its election, either: (i) timely correct any defects or deliver new Materials; or (ii) exercise its rights of suspension or withdrawal pursuant to Article 11. Acceptance of Delivery is based on technical objective standard without regards to question of commercial or artistic merit.

**8.3- Ownership:** Legal ownership of all Delivery Materials will remain with Licensor subject to Distributor's right to use such Delivery Materials under this Agreement. Distributor will exercise due care in safe-guarding all Materials and will assume all risk for theft or damage while they are in Distributor's possession.

**8.4- Distributor Created Materials:** Licensor and its designees will at all times have unimpeded and free access to all alternate language tracks, subtitled, dubbed and parallel tracks versions, masters, advertising and promotional materials, artwork, added value material and all other materials created by Distributor pursuant to this Agreement ("Distributor's Created Materials"). Distributor will promptly notify Licensor of each person responsible for preparing any Distributor's Created Materials for the Picture and of each laboratory or facility where they are located. Within ten (10) business days after completion of any Distributor's Created Materials Distributor will provide Licensor with immediate unrestricted free access to them and

corresponding signed laboratory access letters. Licensor will pay Distributor promptly on request for the actual costs of duplication and shipping to Licensor of any Distributor's Created Material, and if applicable, any reuse fee for their use. Distributor assigns to Licensor, and Licensor immediately becomes the owner of the worldwide copyright in all Distributor's Created Materials, subject to a non-exclusive free license in favor of Distributor and its licensees to use them during the Term solely for exploitation of the Licensed Rights. If such ownership is not allowed under the Laws of the Territory, then Distributor grant Licensor a non-exclusive free license to use such Distributor's Created Materials worldwide in perpetuity without restriction. Distributor shall execute such documents and instruments requested by Licensor to effect Licensor's ownership or license of such Distributor's Created Materials.

**B.5- Return of Materials:** Upon termination of this Agreement for the Picture, Distributor at its expenses will at Licensor's election either: (i) return all Delivery Materials and Distributor's Created Materials to Licensor or any third party designated by Licensor; or (ii) destroy all Delivery Materials and Distributor's Created Materials and provide Licensor with a customary certificate of destruction.

#### **9.- TELEVISION EXPLOITATION OBLIGATIONS**

**9.1- General:** In exploiting the Television Licensed Rights, Distributor will abide by the following exploitation requirements in addition (i) to any of the exploitation requirements in this Agreement and (ii) to the condition precedent set forth in paragraph 7.2 of the Deal Terms. In the event a performing or author's right society attempts to collect royalties further to the exploitation of the Television Rights to the Picture in the Territory, then Distributor will be solely responsible for such royalties.

**9.2- Release Obligations:** In releasing the Picture on Television Distributor will:

- (i) Not exploit or authorize exploitation of any telecasting or other exploitation of the Picture on Pay TV or Free TV or PPV or NVOD before the end of the Holdback Period specified in the Deal Terms with respect to the specified Licensed Right;
- (ii) Not discriminate against the Picture or use the Picture to secure more advantageous terms for any other picture, product or service;
- (iii) Notify Licensor in advance of the time and place of the expected first Pay TV telecast, the expected first Free TV telecast, the expected first PPV exploitation and the expected first NVOD exploitation of the Picture in the Territory;
- (iv) Not authorize the Picture to be transmitted by any form of Pay TV from or within the Territory in any form other than an encoded or encrypted form; and
- (v) Not authorize the Picture to be telecast by any form of Free TV, or Pay TV transmission or PPV transmission, or NVOD transmission, whether or not encoded, from within the Territory which is primarily intended for reception outside the Territory or which is capable of reception, whether or not by means of retransmission or decoding devices.

**9.3- Usage Reports:** Upon Licensor's request, Distributor will promptly provide Licensor with the following information: (1) the title of the Picture in the Authorized Language Version used for each telecast of the Picture; (2) each person responsible for preparing any dubbed or subtitled versions of the Picture; (3) each laboratory holding any dubbed or subtitled tracks for the Picture; and (4) the time, place and telecaster of each telecast of the Picture, including all Telecasts and playdates, since the last notice to Licensor.

**9.4- Commercials:** If Free TV Rights are licensed, then Distributor may insert commercial announcements within the Picture at those points designated by Licensor for such purpose but solely with respect to such Free TV exploitation. Distributor will require each broadcaster to televise all credits, trademarks, copyright notices, tradenames and other symbols of the Picture appearing on the Materials furnished by Licensor, including but not limited to Licensor's logo.

#### **10.- MUSIC**

**10.1 Cue Sheets:** To the extent required and available, Licensor will supply Distributor promptly after Delivery with available music cue sheets listing the composer, lyricist and publisher of all music embodied in the Picture. Distributor will as necessary promptly file with the appropriate governmental agency or music rights society in the Territory a copy of the music cue sheets supplied with Licensor without making any changes in them.

**10.2- Synchronization Royalties:** Licensor will be responsible for acquiring all rights necessary to synchronize the music contained in the Picture on its original negative and on all copies exploited by Distributor. Licensor represents and warrants to Distributor that such will be sufficient to allow exploitation of the music synchronization rights in all music embodied in the Picture throughout the Territory for the entire Term. Licensor will be solely responsible for paying all royalties or charges incurred in obtaining and maintaining such synchronization licenses in effect for the Term, and Licensor will hold Distributor harmless from any payments in this regard.

**10.3- Performance Royalties:** With respect to each musical composition contained in the Picture, Licensor represents and warrants to Distributor that the performing rights in such musical compositions are: (i) in the public domain in the Territory; or (ii) controlled by Licensor sufficient to allow Distributor to exploit all of the Licensed Rights without the necessity of any additional payment; or (iii) available by license from the local music performing rights society in the Territory affiliated with the American Society of Composers, Authors and Publishers (ASCAP), Broadcast Music, Inc. (BMI), SESAC, Inc. (SESAC), MCPS-PRS, SACEM/SDRM or any equivalent. With regard to any musical compositions in category (iii), Licensor will have no obligations with regard to such musical compositions, and Licensor's representations, warranties and indemnities will not apply to them.

Agreement with CESKA TELFVIZE

**10.4- Mechanical Royalties:** The parties acknowledge that a mechanical, performing or author's right society in the Territory may attempt to collect royalties attributable to the broadcast of the Picture. Such royalties may be called "mechanical", "performance", or "synchronization" royalties, or some similar designation. To the extent that payment of such royalties is not included in Licensor's world-wide synchronization license, as provided in paragraph 10.2, then Distributor will be solely responsible for such royalties.

**10.5- Publishing Royalties:** As between Licensor and Distributor, Licensor will be solely entitled to collect and retain the publisher's share of any music royalties arising from Distributor's exploitation of the Picture.

**11.- SUSPENSION AND WITHDRAWAL**

**11.1- Licensor's Right:** Licensor may in its absolute discretion suspend Delivery or exploitation of the Picture or withdraw the Picture: (a) if Licensor determines that its continued exploitation might infringe the rights of others, violate any applicable law, court order or government regulation then binding, or subject Licensor to any liability; (b) if Licensor determines that its Materials are unsuitable for the manufacture of first class commercial quality prints or other exploitation materials; or (c) due to Force Majeure.

**11.2- Effect Of Suspension:** Distributor will not be entitled to claim any damages or lost profits for any suspension. Instead, the Term will be extended for the length of each suspension. If any suspension lasts more than three (3) consecutive months, then either party may terminate this Agreement on ten (10) days' notice, in which case the Picture will be treated as provided in paragraph 11.3.

**11.3- Effect Of Withdrawal:** If the Picture is withdrawn or this Agreement is terminated after a period of suspension, then Licensor may either substitute a mutually satisfactory Picture of like quality, or refund an equitable portion of any unrecouped payments made by Distributor to Licensor (calculated on a pro rata temporis basis). Distributor's sole remedy will be to receive this substitute or refund. In no case may Distributor collect any "lost profits" or other damages.

**11.4- "Force Majeure":** "Force Majeure" means any fire, flood, earthquake, or public disaster; strike, labor dispute or unrest; unavailability of any major talent committed to the Picture; unavoidable accident; breakdown of electrical or sound equipment; failure to perform or delay by any laboratory or supplier; delay or lack of transportation; embargo, riot, war, insurrection or civil unrest; any Act of God including inclement weather; any act of legally constituted authority; or any other cause beyond the reasonable control of Licensor.

**12.- DEFAULT AND TERMINATION**

**12.1- Distributor's Default:** Distributor will default if: (i) Distributor becomes insolvent or fails to pay its debts when due; (ii) Distributor makes any assignment for the benefit of creditors, or seeks relief under any bankruptcy law or similar law for the protection of debtors, or suffers a petition of bankruptcy to be filed against it or a receiver or trustee appointed for substantially all of its assets, and such is not removed within thirty (30) days; (iii) Distributor breaches any material term, covenant, or condition of this Agreement or any other agreement between Licensor and Distributor; (iv) any of Distributor's Affiliated Companies breaches any material term, covenant or condition of any other Agreement with Licensor; or (v) Distributor attempts to make any assignment, transfer, or sublicense of this Agreement or any of the Licensed Rights without first obtaining Licensor's consent as required by article 17.

**12.2- Notice To Distributor:** Licensor will give Distributor written notice of any claimed default. If the default is incapable of cure, then Distributor will be in default immediately upon receipt of Licensor's notice. If the default is capable of cure, then Distributor will have ten (10) days after its receipt to cure any monetary default, and twenty (20) days after its receipt to cure any non-monetary default. If the default is incapable of cure, or if Distributor fails to cure within the times provided, then Licensor in addition to any other rights or remedies may terminate this Agreement as to any or all Pictures licensed, retroactive to the date of default. In case of termination, all Licensed Rights in the Picture shall automatically revert to Licensor (and Licensor may exploit those Licensed Rights freely) and Licensor shall be entitled to retain all sums already paid to Licensor in respect of the Picture, and in the event Distributor has made any payment by means of a documentary credit which Licensor has negotiated at the time of the termination of this Agreement, then upon such termination Licensor shall have the right to negotiate said documentary credit and to retain all sums payable to Licensor thereunder. Licensor may also proceed against Distributor for legal and equitable relief, including suspending delivery of any Picture(s) and declaring all unpaid amounts due Licensor immediately due and payable.

**12.3- Licensor's Default:** Licensor will default if Licensor breaches any material term, covenant, or condition of this Agreement. Any default by Licensor is limited to the particular Picture to which a default applies. No default as to one Picture will be a default as to any other Picture, nor will a default by Licensor as to any one agreement be a default as to any other agreement with respect to any picture.

**12.4- Notice To Licensor:** Distributor will promptly give Licensor written notice of any claimed default. Licensor will have twenty (20) days after its receipt to commence and diligently pursue cure of such default. Only if Licensor fails to do so, may Distributor proceed against Licensor for available relief.

**13.- ANTI-PIRACY PROVISIONS/SECURITY**

Initial:      /

Agreement with CESKA TELEVIZE

Re: [REDACTED]

**13.1- Notice Requirements:** Distributor will include in each copy of the Picture distributed under its authority the copyright notice and anti-piracy warning supplied by Licensor. A "copy" of a Picture includes all negatives, masters, prints, cassettes, tapes, or discs of the Picture delivered to telecasters.

**13.2- Copyright Notice:** Unless otherwise indicated by Licensor, the copyright notice on each copy of each Picture must read exactly as follows:

Copyright (c) [year date of first release] [Licensor's name]  
All Rights Reserved

**13.3- Basic Anti-Piracy Warning:** The anti-piracy warning on each copy of each Picture must read substantially as follows:

**WARNING**  
THIS MOTION PICTURE IS PROTECTED BY LAW.

Any unauthorized copying, hiring, lending, distribution, exporting, importing, dissemination, exhibition or public performance is prohibited by law. Violators will be subject to investigation by the FBI, Interpol and other police agencies and to criminal prosecution, civil penalties, or both.

**13.4- Enforcement:** Distributor will take all reasonable steps necessary to protect the copyright in the Picture to prevent piracy. Licensor may participate in any anti-piracy action using counsel of its choice. Licensor's expenses will be reimbursed from any recovery in equal proportion with Distributor's expenses. If Distributor fails to take necessary anti-piracy action, Licensor may, but will not be obligated to, take such action in Licensor's or Distributor's name, with all recoveries belonging to Licensor.

**13.5- New Technology:** If during the Term new technology in use in the Territory inhibits the unauthorized duplication of copies of a picture, interferes with the reception of television signals without use of an authorized decoding device, or otherwise provides protection against the unauthorized duplication, distribution, or public performance of copies of a picture, then Distributor will reasonably apply such technology to all copies of the Picture manufactured, distributed or publicly performed under its authority. Distributor may deduct the cost of so doing as a Recoupable Distribution Cost after first obtaining Licensor's reasonable approval.

**13.6- No Warranty Against Piracy:** Licensor and Distributor acknowledge that it is in their mutual best interest to prevent piracy of the Picture in the Territory. Licensor has informed Distributor of any act of piracy of the Picture in the Territory of which Licensor is aware, and such information has been considered in determining the License Fee. Distributor has also taken all necessary steps to inform itself of any piracy of the Picture in the Territory before executing this Agreement. No piracy of the Picture, whether occurring before or after the execution of this Agreement, will allow Distributor to terminate this Agreement or reduce any amounts due Licensor. However, Licensor will cooperate with Distributor in seeking to prevent or remedy any such act of piracy.

**13.7 - Protection of Transmission:** Distributor shall ensure that the transmission facilities shall be of first-class technical quality, and Distributor shall employ such full security systems and encryption and encoding procedures as are appropriate in accordance with industry standards and the instructions of Licensor to prevent all non-subscribers and unauthorized persons from receiving, and to prevent all persons from duplicating and retransmitting the Picture or part thereof. Licensor may encode or embed the materials with any technology generally utilized in the television industry that would prevent copying or duplicating by recipients of the Picture on Television and related information pertaining to copy protection and control that is intended to be ultimately readable by and/or affect consumer electronic equipment. Upon Licensor's request, Distributor shall provide Licensor with all information evidencing the implementation of any technology for the purpose of enforcing the provisions hereunder.

**14.- LICENSOR'S WARRANTIES:**

Licensor represents and warrants to Distributor:

**14.1-** Licensor has full authority and ability to enter into and completely perform this Agreement and to license all Licensed Rights to Distributor. Licensor has not and will not undertake any action which might impair those Rights. There are no existing or threatened claims or litigation which would adversely affect or impair any of the Licensed Rights.

**14.2-** Licensor has not licensed, encumbered or assigned and will not license, encumber or assign any Licensed Rights in the Picture to any other person in the Territory during the Term, which will interfere with or compete with the Rights granted to Distributor.

**14.3-** To the best of Licensor's knowledge, no element of the Picture, nor the Picture itself, nor the exercise of any Licensed Rights in the Picture does or will: (i) defame any third party; or (ii) infringe any copyright, trademark, right of ideas, patent, or any other property right of any third party.

**15.- DISTRIBUTOR'S WARRANTIES**

Distributor represents and warrants to Licensor:

**15.1-** Distributor has full authority and ability to enter into and completely perform this Agreement. Distributor has not and will not undertake any action which might impair Licensor's rights under this Agreement. There are no existing or threatened claims or litigation which would adversely affect or impair Distributor's ability to completely perform under this Agreement.

**15.2-** Distributor will honor all restrictions on the exercise of the Licensed Rights or any other rights granted in this Agreement as such restrictions may be duly given to Distributor by Licensor in conformity with this Agreement. Distributor will

Re: [REDACTED]

not exploit any Reserved Rights in the Picture or any other rights not specifically licensed to Distributor in this Agreement, nor will Distributor exploit the Picture outside the Territory or after the Term.

**15.3-** Distributor shall comply at all times with all applicable laws, statutes, regulations and codes relating to data protection, anti-bribery, anti-corruption and anti-slavery including, without limitation, the General Data Protection Regulation (Regulation (EU) 2016/679), the Bribery Act 2010 and the Modern Slavery Act 2015 where applicable.

**15.4-** In case of any assignment of this Agreement pursuant to article 17, Distributor makes the following additional representations and warranties to Licensor:

(i) As a condition to the effectiveness of such assignment the assignee can and will make all of the representations and warranties set forth in paragraph 15.1 directly to Licensor as if such Assignee executed this Agreement directly with Licensor.

(ii) If such assignee breaches any of those representations and warranties, then Licensor, in addition to any right or remedies it may have against such assignee, may proceed directly against Distributor for such breach without first proceeding against such assignee or exhausting any of Licensor's rights or remedies against such assignee.

**15.5-** If Distributor, (or any of its affiliates, subdistributors'/sublicensees'/subagents'), engages in, or authorizes or condones, any unlawful or criminal practice or in any practice which Licensor (or any of its affiliates, subdistributors'/sublicensees'/subagents') believes in its reasonable judgment could cause disrepute to Licensor or its affiliates, rightsholders, subdistributors/sublicensees/subagents, and/or its/their reputation, operations, prospects or business relations, then Licensor will be entitled to terminate the Agreement, subject to the respect of a cure period of 10 (ten) days from receipt of corresponding notice of default.

#### **16.- INDEMNITIES**

**16.1- Licensor's Indemnities.** Licensor will indemnify and hold harmless Distributor (including its officers, directors, partners, owners, shareholders, employees and agents) against all damages, losses, claims and expenses (including reasonable attorneys' fees) and liabilities due to Licensor's breach of any of its obligations, representations or warranties set out in this Agreement. Licensor will remain responsible for honoring Licensor's indemnities despite any assignment or sublicense pursuant to article 17. Where Licensor is acting as an agent, these indemnities will be deemed made directly by Licensor's principal to Distributor, and Distributor will look only to such principal to honor such indemnities with regard to the principal's representations and warranties.

**16.2- Distributor's Indemnities.** Distributor will indemnify and hold harmless Licensor (including its officers, directors, partners, owners, shareholders, employees and agents) against all damages, losses, claims and expenses (including reasonable attorneys' fees) and liabilities due to Distributor's failure to abide by any restriction on the exercise of any rights granted to it or for breach of any of Distributor's obligations, representations or warranties set out in this Agreement. Distributor will remain responsible for honoring Distributor's indemnities despite any assignment or sublicense pursuant to article 17.

**16.3- Limitation:** Each Party may only seek to recover direct damages occasioned by any material breach of this Agreement. Each Party waives any right to seek special, consequential or punitive damages, including "lost profits" from any breach, provided that nothing in this Agreement shall limit Distributor's obligation to indemnify Licensor for all damages suffered by Licensor as a result of the exploitation by Distributor (or by any authorized subdistributor, agent or assignee) of Rights in the Picture not licensed hereunder, outside of the Territory, or before or after the Term, including, without limitation, "lost profits" and/or consequential damages.

#### **17.- ASSIGNMENT AND SUBLICENSING**

**17.1- Distributor's Limitations:** This Agreement is personal to Distributor. Except as provided in paragraph 17.2, Distributor may not assign or transfer this Agreement, or sublicense or use an agent to exploit any of the Rights granted to Distributor, whether voluntarily or involuntarily, without the prior written consent of Licensor which may be withheld in Licensor's sole discretion. An assignment or transfer or a controlling interest in Distributor's capital stock or other evidence of ownership will be deemed an assignment, transfer or sublicense for which Licensor's consent must be first obtained. If Licensor does consent to any assignment, transfer, sublicense or agent then this Agreement will be binding on such authorized assignee, transferee, subdistributor or agent but will not release Distributor of any of its obligations under this Agreement.

**17.2- Exception:** Distributor may transfer or assign this Agreement to any wholly owned subsidiary or to any affiliated company which is wholly owned by any company which wholly owns Distributor provided that prompt notice of assignment is given to Licensor. In that case, all references to "Distributor" in this Agreement will include such subsidiary or affiliated company, provided that Distributor timely notify Licensor such transfer or assignment.

**17.3- Licensor's Rights:** Licensor may freely assign, transfer or sublicense any of its rights under this Agreement, but no such assignment, transfer or sublicense will relieve Licensor to its obligations under this Agreement, unless it is to a company which acquires all or substantially all of Licensor's assets.
